Marlow,2016-08-02 What if you could become a powerful force for good in the world without moving overseas burdening your overwhelmed family or giving up the comforts of modern life Chris Marlow founder of the global advocacy organization Help One Now once felt paralyzed in the face of global problems They seemed too numerous too complicated too big and after all how much can one person really do But a wake up call in Zimbabwe and a closer study of Scripture soon showed Chris that maybe Christians are overcomplicating how to do act justly in a broken world Maybe all God is calling us to do is set up a lemonade stand for a good cause Doing Good is Simple is your practical guide to world change wherever you are Through Chris own journey of an ordinary person seeking God's good in the world this book will Empower you to make a difference where you are Redefine good according to God's metrics of small simple things with great love Bring global concepts down to earth for you to find your place in the area where God is calling you Disband the top myths we tell ourselves when it comes to world change and why we aren't enough Free you from your first world guilt complex that drags you down Provide practical accessible guidelines for getting started today **The Healing Power of Doing Good** Peggy

Payne,Allan Luks,2001-04-29 Conventional wisdom has always held that when we help others some of the good we do flows back to us That satisfaction has always been thought to be largely emotionalfeeling good when you do good Now important widely discussed research shows that helping others regularly produces significant health benefits as wellin fact it has effects similar to those many of us experience when we exercise It is almost impossible to read this book without wanting to do good Both for those who are already volunteering and for those who are considering it this valuable personal guide tells you how to choose an activity that's right for you how to maximize the health benefits and how to overcome the main obstacle to getting started lack of time The Healing Power of Doing Good reaffirms and explains that when we care for others we care for ourselves It is an important book for those suffering from chronic health problems as well as the health conscious anyone interested in how our mind affects our body and people in the helping professions And it reminds us that never has there been such a need for caring as there is today **To Live as a Worshipper** Jason Bryant,2020-03-31 Do you feel far away
