Certain Seduction:

Discourses of Seduction Hosea Hirata, 2020-03-17 If the postmodernist ethical onslaught has led to the demise of literature by exposing its political agenda if all literature is compromised by its entanglement with power why does literature's subterranean voice still seduce us into reading Why do the madness and the scandal of transgressive literature its power to force us to begin anew its evil escape the gaze of contemporary literary criticism Why do we dare not reject ethics and the ethical approach to literature If the primary task of literary criticism is to correct others ethical missteps should we not begin by confronting the seductiveness of ethics our desire for ethics the pleasure we take in being ethical And what is the relationship between ethics and history in the study of literature What would be the ethical consequences of an erasure of history from literary criticism In a series of essays on the writings of Kawabata Yasunari Murakami Haruki Karatani Kjin Furui Yoshikichi Mishima Yukio Oe Kenzaburo Natsume Soseki and Kobayashi Hideo Hosea Hirata visits the primal force of the scandalous in an effort to repeat in the Kierkegaardian sense the originary scene that initiates the obscure yet insistent poetry that is literature and to confront the questions raised The Seductions of Pilgrimage Dr Michael A Di Giovine, Dr David Picard, 2015-11-28 The Seductions of Pilgrimage focuses on the varied discursive imaginative and practical mechanisms of seduction that draw individual pilgrims to a pilgrimage site the objects places and paradigms that pilgrims leave behind as they embark on their hyper meaningful travel experience and the often unforeseen elements that lead pilgrims off their desired course Presenting the first comprehensive study of the role of seduction on individual pilgrims in the study of pilgrimage and tourism it will appeal to scholars of anthropology cultural geography tourism heritage and religious studies A Certain Seduction Sylvia Baker, 1996-02-15 **Readings of Jean Laplanche in Process** Bryan Batista-Thomas, 2026-04-29 This book is a series of interviews with nine Laplanche scholars who expand our understanding of his work and highlight its contemporary importance and applications in psychoanalytic theory and practice Much of Jean Laplanche's work remains untranslated into English but his ideas are increasingly influential in the Anglophone psychoanalytic world especially the United States His groundbreaking work on gender and sexuality leads the way in terms of psychoanalytic understanding of the current social and cultural developments in these areas This work shows the ways in which his concepts migrate and transform into a global perspective through the lenses of epistemology clinical practice theory culture and linguistics With contributions from current members of the Scientific Council of the Laplanche Foundation and prominent Laplanche scholars this book aims to stand alongside Laplanche's theoretical work as an example of the complexity of the relationship between theory and clinical practice Enriched with clinical vignettes of child and adult analysands this book gives psychoanalysts and psychotherapists an excellent introduction to the key tenets of Laplanche's work and its application to classic and current clinical issues **Code of Iowa** Iowa, 1897 **French Theory** François Cusset, 2008 Explores how the French theory of philosophy which became popular during the last three decades of the
