Brief Annals Wilson Lee Spottswood,1888 *Brief Annals (Classic Reprint)* W. Lee Spottswood,2017-10-12 Excerpt from *Brief Annals* I had another purpose viz to weave naturally not to drag into my story Bible exegesis traits of mind and of temperament bits of sentiment scraps of history etc In these gossip records I have lived over my life again and the deeds of the past the merriment and other emotions created by persons scenes and events have all come back to me in strange vividness and with great delight I am now impressed with the belief that there were things in my career stranger than fiction I hope that these annals will bring pleasure to others causing them to smile and laugh and will also yield some profit to my readers constraining them to think and touching the deeper emotions If they produce such results I shall then have accomplished my cherished purpose and secured my ample reward About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Baker's manuscript notes on Strype's Annals John Strype,1824 *Grassroots Values and Local Cultural Heritage in China*

Harriet Evans,Michael Rowlands,2021-10-06 The recent heritage boom in China is transforming local social economic and cultural life and reshaping domestic and global notions of China s national identity Based on long term ethnographic fieldwork conducted largely by young anthropologists in China *Grassroots Values and Local Cultural Heritage in China* departs from the dominant top down UNESCO influenced narrative of cultural heritage preservation and approaches the local not as a fixed definition of place but as a shifting site of negotiation between state entrepreneurial transcultural and local community interests The volume takes readers along an unusual trajectory between a disadvantaged neighborhood in central Beijing metropolitan centers in Anhui and Sichuan Quanzhou in the southeast and Yunnan in the southwest before finally ending at the great Samye Monastery in Tibet Across these sites the contributors converge in apprehending the grassroots as an arena of everyday life and belonging underpinning ordinary social interactions and cultural practices as diverse as funeral rituals Tibetan Buddhist pilgrimages and encounters between young contemporary artists and the Bloomsbury Group In examining the diversity of local cultural practices and knowledge that underpin ideas about cultural value this volume argues that grassroots cultural beliefs are essential to the liveability and sustainability of life and living heritage
