**Dancing Arabs** Sayed Kashua, 2004-05-01 The debut novel by twenty eight year old Arab Israeli Sayed Kashua has been praised around the world for its honesty irony humor and its uniquely human portrayal of a young man who moves between two societies becoming a stranger to both Kashua s nameless antihero has big shoes to fill having grown up with the myth of a grandfather who died fighting the Zionists in 1948 and with a father who was jailed for blowing up a school cafeteria in the name of freedom When he is granted a scholarship to an elite Jewish boarding school his family rejoices dreaming that he will grow up to be the first Arab to build an atom bomb But to their dismay he turns out to be a coward devoid of any national pride his only ambition is to fit in with his Jewish peers who reject him He changes his clothes his accent his eating habits and becomes an expert at faking identities sliding between different cultures schools and languages and eventually a Jewish lover and an Arab wife With refreshing candor and self deprecating wit *Dancing Arabs* brilliantly maps one man s struggle to disentangle his personal and national identities only to tragically and inevitably forfeit both

**Let it be Morning** Sayed Qashu, 2006 In his debut *Dancing Arabs* Sayed Kashua established himself as one of the most daring voices of the Middle East In his searing new novel a young Arab journalist returns to his hometown an Arab village within Israel where his already vexed sense of belonging is forced to crisis when the village becomes a pawn in the never ending power struggle that is the Middle East Hoping to reclaim the simplicity of life among kin the prodigal son returns home to find that nothing is as he remembers everything is smaller the people are petty and provincial But when Israeli tanks surround the village without warning or explanation everyone inside is cut off from the outside world As the situation grows increasingly dire the village devolves into a Darwinian jungle where paranoia quickly takes hold and threatens the community s fragile equilibrium With the enduring moral and literary power of Camus and Orwell *Let It Be Morning* offers an intimate eye opening portrait of the conflicted allegiances of the Israeli Arabs proving once again that Sayed Kashua is a fearless prophetic observer of a political and human quagmire that offers no easy answers

**The Routledge Handbook of Muslim-Jewish Relations** Josef Meri, 2016-06-23 The *Routledge Handbook of Muslim Jewish Relations* invites readers to deepen their understanding of the historical social cultural and political themes that impact modern day perceptions of interfaith dialogue The volume is designed to illuminate positive encounters between Muslims and Jews as well as points of conflict within a historical framework Among other goals the volume seeks to correct common misperceptions about the history of Muslim Jewish relations by complicating familiar political narratives to include dynamics such as the cross influence of literary and intellectual traditions Reflecting unique and original collaborations between internationally renowned contributors the book is intended to spark further collaborative and constructive conversation and

**Rethinking Peace** Alexander Laban Hinton, Giorgio Shani, Jeremiah Alberg, 2019-02-19 Long considered a subfield of international relations and political science Peace Studies has solidified its place as an interdisciplinary field in its own right with a canon degree programs journals conferences and courses taught on the subject Internationally renowned centers offering programs on Peace and Conflict Studies can be found on every continent Almost all of the scholars working in the field however are united by an aspiration attaining Peace whether positive or negative The telos of peace however itself remains undefined and elusive notwithstanding the violence committed in its name This edited volume critically interrogates the field of peace studies considering its assumptions teleologies canons influence enmeshments with power structures biases and normative ends We highlight four interrelated tendencies in peace studies hypostasis strong essentializing tendencies teleology its imagined end normativity the set of often utopian and Eurocentric discourses that guide it and enterprise the attempt to undertake large projects often ones of social engineering to attain this end The chapters in this volume reveal these tendencies while offering new paths to escape them Visit <http://www.rethinkingpeacestudies.com> for further details on the Rethinking Peace Studies project
