essays in this volume juxtapose African American Mexican American and Anglo American fictions produced in the wake of both the Civil War and the U S Mexican War contiguous national conflicts that remain segregated in critical practice At once comparative and intertextual the readings in this study redefine western literature in its relation to other U S regional literary formations Goldman s arguments question critical sectionalism as extensively as they do regional divisions by blurring generic distinctions by reading across literary periods and by juxtaposing writers who explore the same set of social issues during the same historical moment but who are conventionally located in separate literary traditions sentimental literature the African American novel literary modernism early Mexican fiction

The Whistling Season Ivan Doig,2007-02-01 Can t cook but doesn t bite So begins the newspaper ad offering the services of an A 1 housekeeper sound morals exceptional disposition that draws the hungry attention of widower Oliver Milliron in the fall of 1909 And so begins the unforgettable season that deposits the noncooking nonbiting ever whistling Rose Llewellyn and her font of knowledge brother Morris Morgan in Marias Coulee along with a stampede of homesteaders drawn by the promise of the Big Ditch a gargantuan irrigation project intended to make the Montana prairie bloom When the schoolmarm runs off with an itinerant preacher Morris is pressed into service setting the stage for the several kinds of education none of them of the textbook variety Morris and Rose will bring to Oliver his three sons and the rambunctious students in the region s one room schoolhouse A paean to a vanished way of life and the eccentric individuals and idiosyncratic institutions that made it fertile The Whistling Season is Ivan Doig at his evocative best

Earthlight, Wordfire Elizabeth Simpson,1992 Elizabeth Simpson has written this first comprehensive book length study of Ivan Doig s work for Doig fans as well as for scholars While the central focus is Doig s work Simpson also suggests new ways western writing can be examined in terms of folklore history landscape and style Well known Doig novels including This House of Sky Run with Me Mariah Montana Winter Brothers English Creek and The Sea Runners are analyzed separately with attention to structure narrative strategy theme character pace tone and informing metaphors Recurrent motifs that bind Doig s work into a canon are also explored The reader is introduced to changes in folklore studies in the past few decades followed by an examination of the impact these changes have had on literature Doig s use of folklore to develop character and theme to regulate pace and tension also allows him to paint the life of the region he is writing about As well Doig s use of folklore suggests ways to link the history of the West with a meaningful present Doig s writing also emphasizes the interrelationships between landscape and the people who live in it In the second part of this study Elizabeth Simpson addresses the concept of profane and sacred space and adversity as means that western writers use

to perceive the relationship between character and landscape The classic western myth of the solitary hero against the wilderness is not the focus of contemporary western writing where instead community takes on special meaning One of the prevalent contemporary themes is the physical and psychological danger of isolation While individually Doig s books may differ from each other they form a distinct corpus because the author s use of context informs the text As Elizabeth Simpson concludes after examining Doig s style Doig is in the most inclusive sense of the term a regional writer one who weaves the history the landscape the folklore the language of his home place into stories that articulate major themes in American life
