Dangerous Interlude Bob Van Scoyk, F. Wyndham Mallock, 1959 **Dangerous Interlude** Joyce Renee Goosby, 2001-05-01 *Dangerous Interlude* Emily Elliott, 1985 *Beyond Black Hawk Down* Jonathan Carroll, 2025-06-24

The story of Black Hawk Down is a familiar one On 3 October 1993 two Black Hawk helicopters were shot down and in the ensuing Battle of Mogadishu eighteen Americans and hundreds of Somalis were killed But very few appreciate that this was just one day in a two and a half year operation the most ambitious attempt in history to rebuild a nation The United States sought to show the world that the UN could rebuild a country but in a dire foreshadowing of the failed efforts in Iraq and Afghanistan a decade later the intervention in Somalia was plagued with political infighting policy mismatch confusion and fatal assumptions In 1992 Somalia saw the largest ever deployment of American troops to the continent of Africa and 1993 brought the first UN led peace enforcement mission and the most ambitious experiment in nation building In *Beyond Black Hawk Down* Jonathan Carroll provides the first scholarly military history of the entire intervention from its early and largely successful humanitarian phase in 1992 to the ultimate withdrawal of UN forces in 1995 Carroll dispels the myths and misunderstandings surrounding one of the most infamous episodes of the 1990s to present a new interpretation of events most notably by including the Somali perspective to argue what went so wrong in Somalia and more importantly why Understanding the intervention in Somalia its successes and the roots of its failures is invaluable to contemporary debates on concepts of nation building and counterinsurgency Moreover the increasing regularity of interstate and intrastate conflicts across the world means the international community will continue to be called upon to intervene in other failed or failing states in the future *Beyond Black Hawk Down* is an important new history that will inform the shape and nature of future military interventions
