**Untamed** Suzana E. Flores, 2018-07-03 Wolverine Logan Weapon X By any name Marvel Comic s savage brooding antihero is in his own words the best at what he does killing with gratuitous precision Paradoxically violent yet humane the beer swilling cigar smoking mutant with retractable claws is universally misjudged in the Marvel Universe yet esteemed by fans worldwide The author explores Wolverine s development from bit character to modern legend over more than four decades with a focus on his enduring appeal as an allegory for resilience through torment **Arcanum** Joseph Barresi, 2011-03-30 At long last the core rule book for the World of Arator is here Included within these pages are the full current rules and all information needed in order to play games within the Arcanum World of Arator universe Also detailed within this book are A complete comprehensive listing of all 20 character classes a player can be Classes in the Arcanum universe become even more powerful after level 50 by being promoted to an even more powerful version of the original class All character classes have access to 10 powerful special talents at the start of level 1 and these abilities only get stronger as a player levels After level 50 all player classes will receive 5 new talents that are even deadlier Character classes can learn many different special abiltiies such as wrestling duel wielding acrobatics blacksmithing leatherworking enchanting and many more All classes come stock with their own special abilties but it doesn t stop there any player class can learn any special ability they want in addition to the ones they have as a class Choose between dozens of different races including sun elves dark elves dwarves halflings orcs hobgoblins goblins trolls kobolds and many more Learn all about the game and how armor ratings work health points energy points magic and combat The only limitations within the Arcanum universe is what your imagination can summon into being *Tragedies* Arthur Symons, 1916 Manresa Saint Ignatius (of Loyola), 1881 Land's Language Ethan Madarieta, 2026-04-15 Presenting a new framework for understanding indigeneity and Indigenous peoples demands for territorial restitution Asserting that the work of critical theory today must attend to an epistemic locality rather than the universalizing impulse of its European intellectual genealogy Ethan Madarieta makes central to his study the literatures and philosophy of the Mapuche peoples of Wallmapu comprising south central regions of what are currently known as Chile and Argentina In doing so he argues that the primary site of settler and Indigenous antagonisms is not land as is ubiquitously asserted but the overlapping and incommensurate conceptual orders within which land and body are constituted and accrue meaning Land s Language works to unsettle the stability and universality of how land and body are understood by calling into question what can or will be restored or returned and to whom Drawing on Latin American and Mapuche historical philosophical and literary studies in dialogue with global critical theory and Anglophone critical Indigenous studies this book demonstrates how Mapuche knowledge and thought and that of each Indigenous nation across the planet offer ways to live in ethical relation beyond that of the state and under the wider systemic hegemony of colonial racial capitalism **International Jewelry Workers' Union Almanac** International Jewelry
