From Adam to Christ Morna D. Hooker,1990-07-27 The publication of these essays in one volume essays published separately and in diverse contexts over a period of thirty years is something of an event Professor Hooker is one of the foremost New Testament scholars currently writing and Paul is one of her major interests This collection includes some of her best writing on Pauline ideas and their contemporary significance and may come to be seen as her definitive statement on the apostle who kindles her enthusiasm and admiration The essays focus in particular on Paul s understanding of human redemption The author shows that in contrast to Adam who was created in the image of God but who lost God s glory Christ is the true image of God and the embodiment of his glory Though the Law expressed the purpose of God and reflected his glory its power was incomplete Several essays explore the theme of interchange in Christ and Professor Hooker puts forward the view that Paul s notion of participation in Christ is the key to understanding his Christology The term interchange indeed has come to be associated with Hooker s approach to Paul *The True Christian's Love for the Unseen Christ* Thomas Vincent,2025-05-30 Christian live is primarily motivated by our love for Christ Without manifesting love to Christ we are as entirely lacking spiritual life as a dead body lacks life when its soul departs for the other world Therefore professing a belief without loving Christ is dead religion and thus a professed believer who has no love to Christ is a dead man dead in transgression and sin Without a biblical love to Christ we may pretend to be Christians but we would lack entirely the true nature of a Christian In treating the true love of Christians towards Christ this book is like any other Puritan devotion intertwined with clear doctrine and sharp biblical precision in statements permeates this book on every page of it You will be unable to put it down and your life and devotion to Christ will be changed forever This book was originally published in 1812 under the title *The True Christian s Love for the Unseen Christ* The current edition has been proofread typeset for eBook readers and slightly updated for modern readers [The True Christian's Love of the Unseen Christ, Etc](#) Thomas VINCENT (M.A., Nonconformist Divine.),1689 *The Text of the New Testament of Jesus Christ* ,1589 [The True Christians Love of the Unseen Christ, Or, A Discourse Chiefly Tending to Excite and Promote the Decaying Love of Christ in the Hearts of Christians](#) Thomas Vincent,1812 **The True Christian's Love of the Unseen Christ: Or a Discourse [on 1 Pet.
