Angular Frequency: The McGonegal Chronicles Angular Frequency: The McGonegal Chronicles, 2024-09-15 Things had settled down after the incident with the brothers and time folding Years had passed and there wasn t a word from the Alphas or Miguel and Diego James personally supervised the refitting of both Antarctica stations Their emphasis would now be solely

focused on time anomalies He didn't want to be caught off guard again Adriana had developed a company of highly skilled agents and he could not be prouder of her performance She would one day inherit the job and he was confident she would be wonderful at it Things were running smoothly too smoothly The fact of the matter was that the Archivist was bored Then an alert came in from his stationmaster Moriarty Someone was knocking at the door and it was a butler The world was about to change It has been seven years since James Aranas became the Archivist He has not spoken with the McGonegals or anyone else outside of the agency who was involved in defeating the monster Atun All of that was about to change because all of his friends were also visited by the butler Angular Frequency is the conclusion of the McGonegal Chronicles series and as with anything involving the McGonegals it is complicated and deadly All his friends have settled back into their lives but now retirement is over Now the world once again requires their services and that includes the Alphas The threat is even graver than before The question is are they still up to the challenge Time waits for no one and she is a cruel taskmaster The threat is at their doorsteps and it is announced by a figure in a morning suit

Team of Five

Kate Andersen Brower,2021-05-25 USA Today Bestseller From the 1 New York Times bestselling author of The Residence and First Women also a New York Times bestseller comes a poignant news making look at the lives of the five former presidents in the wake of their White House years including the surprising friendships they have formed through shared perspective and empathy After serving the highest office of American government five men Jimmy Carter the late George H W Bush Bill Clinton George W Bush and Barack Obama became members of the world's most exclusive fraternity In Team of Five Kate Andersen Brower goes beyond the White House to uncover what exactly comes after the presidency offering a glimpse into the complex relationships of these five former presidents and how each of these men views his place in a nation that has been upended by the Oval Office's current norm breaking occupant President Donald Trump With an empathetic yet critical eye and firsthand testimony from the Carters Donald Trump and the top aides friends and family members of the five former presidents Team of Five takes us inside the exclusive world of these powerful men and their families including the unlikely friendship between George W Bush and Michelle Obama the last private visits Bill Clinton and Barack Obama shared with George H W Bush and the Obamas flight to Palm Springs after Donald Trump's inauguration Perhaps most timely this insightful illuminating book overflows with anecdotes about how the ex presidents are working to combat President Trump's attempts to undo the achievements and hard work accomplished during their own terms Perhaps most poignantly Team of Five sheds light on the inherent loneliness and inevitable feelings of powerlessness and frustration that come with no longer being the most important person in the world but a leader with only symbolic power There are ways though that these men and their wives have become powerful

political and cultural forces in American life even as so called formers Team of Five includes 16 pages of color photographs
