

THE CORPORAL WORKS OF MERCY

What are the Corporal Works of Mercy and how can we live them out?
by Deanna Bartalini

1 FEED THE HUNGRY

So many people in our world do not have enough food. Ways we can help include: not wasting food, donating food to food banks, cook/serve for a soup kitchen, donate money.

2 GIVE DRINK TO THE THIRSTY

Being thirsty is not just about wanting a drink. It is also about having clean water that you can drink and use for cooking and cleaning. We can help by not wasting water in our homes, donate money to a clean water project, carry water bottles in cooler in our car to give to homeless people.

3 SHELTER THE HOMELESS

Many people live on the streets or in their cars instead of a home. We can donate supplies to homeless shelters like pillows, sheets and blankets; cleaning supplies and food.

4 VISIT THE SICK

It is never fun to be sick, even with a cold, is it? We can take time to be kind to those who are sick by visiting them, calling them, sending a card or gift. This lets them know we are thinking of them so they will be less lonely.

5 VISIT THE PRISONERS

Even though they are in prison; they are still a person to treat with respect. Not everyone can actually go to prison to visit but we can pray for them and donate things to the prison.

6 BURY THE DEAD

No one really likes to think about death, especially of the people we love. If we know someone who has had a death in their family, it is nice to tell them that we are sorry the person has died. You can send a card to let them know you are praying for the person who died and for them too.

7 GIVE ALMS TO THE POOR

Giving alms is another way of saying help the poor. It can be money, food, clothes, toys, books, time or anything else that people need. It is important for those who have all they need to share with those who do not.
