Have you ever flown a kite? Kites are toys that are made to fly in the wind. Kites can be made of different materials. They each have a big fabric piece that can catch the wind. They also have strong pieces of wood that hold the fabric. A kite always has a long string that hangs from it. That is for a person to hold. It is best to fly a kite where there is wind. It is best to be in a big open place like a park. You can run with the kite to keep it up in the air. Kite flying is fun for everyone!
