## **Development Studies:**

**A Radical History of Development Studies** Uma Kothari, 2016-12-15 In this book some of the leading thinkers in development studies trace the history of their multi disciplinary subject from the late colonial period and its establishment during decolonization all the way through to its contemporary concerns with poverty reduction They present a critical genealogy of development by looking at the contested evolution and roles of development institutions and exploring changes in development discourses These recollections by those who teach research and practise development challenge simplistic unilinear periodizations of the evolution of the discipline and draw attention to those ongoing critiques of development studies including Marxism feminism and postcolonialism which so often have been marginalized in mainstream development discourse The contributors combine personal and institutional reflections with an examination of key themes including gender and development NGOs and natural resource management The book is radical in that it challenges orthodoxies of development theory and practice and highlights concealed critical discourses that have been written out of conventional stories of development The contributors provide different versions of the history of development by inscribing their experiences and interpretations some from left inclined intellectual perspectives Their accounts elucidate a more complex and nuanced understanding of development studies over time simultaneously revealing common themes and trends and they also attempt to reposition Development Studies along a more critical trajectory The volume is intended to stimulate new thinking on where the discipline may be moving It ought also to be of great use to students coming to grips with the historical continuities and divergences in the theory and practice of development

*The Essential Guide to Critical Development Studies* Henry Veltmeyer, Paul Bowles, 2017-07-20 In recent years much mainstream development discourse has sought to co opt and neutralize key concepts relating to empowerment participation gender sustainability and inclusivity in order to serve a market driven neoliberal agenda Critical development studies now play a crucial role in combatting this by analyzing the systemic changes needed to transform the current world to one where economic and social justice and environmental integrity prevail The Essential Guide to Critical Development Studies takes as its starting point the multiple crises economic political social and environmental of the dominant current global capitalist system The chapters collectively document and analyze these crises and the need to find alternatives to the system s that generate them To do so analyses of class gender and empire are placed at the centre of discussion in contrast to markets liberalization and convergence which characterize mainstream development discourse Each contributor supplements their overview with a guide to the critical development studies literature on the topic thereby providing scholars and students not only with a precis of the key issues but also a signpost to further readings This is an important resource for academics researchers policymakers and professionals in the areas of development studies political science sociology economics gender studies history anthropology agrarian studies international relations and international political economy

**International Development Studies** Andrew Sumner, Michael A Tribe, 2008-04-11 A sure footed and self confident book ambitious in scope authoritative in execution and practical in its implications Simon Maxwell Director Overseas Development Institute London At last a development studies text that encourages self reflection from within the discipline Highly recommended Professor Ray Kiely Chair in International Politics Queen Mary University of London This is the book that academics development researchers and practitioners have been seeking for a long time It addresses the most important issues which development researchers and practitioners cope with each and every day Dr Tran Tuan Director Research and Training Centre for Community Development Hanoi Vietnam An insightful book for both development practitioners and researchers alike Professor K N Nair Director Centre for Development Studies Kerala India This book is about working professionally in Development Studies as a student researcher or practitioner It introduces and addresses the fundamental questions that everyone engaged with development must ask What is development and why do we wish to study it How do the many theoretical methodological and epistemological approaches relate to research and practical studies in development How are development research and practice linked Accessibly written with extensive use of case study material this book is an essential primer for students of development studies who require a concise penetrating overview of its foundations It is also core reading for students and practitioners concerned with the design of studies in the course of policy analysis sector reviews or project formulation management and evaluation

**Development Studies** Jeffrey Haynes, 2008-05-05 Clear accessible and concise this is an ideal primer for

students unfamiliar with the central themes and theoretical perspectives in the study of development Theories of Social Capital Ben Fine, 2010-01-11 Tracing the evolution of social capital since his highly acclaimed contribution of 2001 Social Capital Versus Social Theory Ben Fine consolidates his position as the world's leading critic of the concept Fine forcibly demonstrates how social capital has expanded across the social sciences only by degrading the different disciplines and topics that it touches a McDonaldisation of social theory The rise and fall of social capital at the World Bank is critically explained as is social capital's growing presence in disciplines such as management studies and its relative absence in others such as social history Writing with a sharp critical edge Fine not only deconstructs the roller coaster presence of social capital across the social sciences but also draws out lessons on how and how not to do research **Development Studies** Robin N. Ghosh, Kulwant Rai Gupta, Prasenjit Maiti, 2008 With reference to India **The Elgar Companion to Development Studies** David Clark, 2006 If handbooks can be inspiring this is it Like a true companion it takes in its stride conversations both big and small Its entries do not just present an international and multidisciplinary mix but true to life they work on several different scales And importantly the book makes its authority evident For it is like an extended website but with all the added advantages of an encyclopaedia that actually tells you about the authors and the sources on which they have drawn The resulting compilation is highly intelligent thoughtful and above all usable Dame Marilyn Strathern University of Cambridge UK The Elgar Companion to Development Studies is a major production in the development studies field authored by a star studded cast of contributors With 136 entries covering a vast range of topics it should quickly establish itself as a leading work of reference We should all feel indebted to David Clark who has successfully brought this substantial publishing project to completion John Toye University of Oxford UK This is a most comprehensive handbook on development studies It brings together a wide varied array of carefully crafted summaries of 136 key topics in development by an international cast of well respected academics and other experts in respective areas of study The handbook is heavily interdisciplinary organically combining economic political historical social cultural institutional ethical and human aspects of development While the wide range of entries might appear as a simple glossary listing or an encyclopedic collection each of the 136 entries offers more depth and discussion than the average handbook Viewed in this light this companion is highly likely to become known as a leading reference work on the topic Highly recommended Ismael Hossein Zadeh Choice The Elgar Companion to Development Studies is an innovative and unique reference book that includes original contributions covering development economics as well as development studies broadly defined This major new Companion brings together an international panel of experts from varying backgrounds who discuss theoretical ethical and practical issues relating to economic social cultural institutional political and human aspects of development in poor countries It also includes a selection of intellectual biographies of leading development thinkers While the Companion is organised along the lines of an encyclopaedia each of its 136 entries provide more depth and discussion than the average reference book Its entries are also

extremely diverse they draw on different social science disciplines incorporate various mixes of theoretical and applied work embrace a variety of methodologies and represent different views of the world The Elgar Companion to Development Studies will therefore appeal to students scholars researchers policymakers and practitioners in the field of development as well as the interested layman *African Research & Documentation* ,1991 **Critical Development Studies** Henry Veltmeyer,Raúl Delgado Wise,2018 The first book in the Critical Development Studies is a searing expose of the whole development industry It is an introduction to the critical approach to development focusing on the needs of people rather than the pursuit of profit **Monographic Series** Library of Congress, **Office Management Series** ,1929 **British Qualifications** Kogan Page,2006 The field of professional academic and vocational qualifications is ever changing The new edition of this highly successful and practical guide provides thorough information on all developments Fully indexed it includes details on all university awards and over 200 career fields their professional and accrediting bodies levels of membership and qualifications It acts as an one stop guide for careers advisors students and parents and will also enable human resource managers to verify the qualifications of potential employees Series of Text Books on Chamber of Commerce Administration Prepared for the Second National School for Commercial Secretaries, August 21 to September 2, 1922, at Northwestern University, Evanston, Illinois National Institute for Commercial and Trade Organization Executives,1922 **Bulletin** ,1926 **Economic Entomology** ,1927 Development Discourse and Global History Aram Ziai,2015-08-27 The manner in which people have been talking and writing about development and the rules according to which they have done so have evolved over time Development Discourse and Global History uses the archaeological and genealogical methods of Michel Foucault to trace the origins of development discourse back to late colonialism and notes the significant discontinuities that led to the establishment of a new discourse and its accompanying industry This book goes on to describe the contestations appropriations and transformations of the concept It shows how some of the trends in development discourse since the crisis of the 1980s the emphasis on participation and ownership sustainable development and free markets are incompatible with the original rules and thus lead to serious contradictions The Eurocentric authoritarian and depoliticizing elements in development discourse are uncovered whilst still recognizing its progressive appropriations The author concludes by analysing the old and new features of development discourse which can be found in the debate on Sustainable Development Goals and discussing the contribution of discourse analysis to development studies This book is aimed at researchers and students in development studies global history and discourse analysis as well as an interdisciplinary audience from international relations political science sociology geography anthropology language and literary studies The Open Access version of this book available at <http://www.taylorfrancis.com/books/9781315753782> has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license **Bulletin of the National Research Council** ,1919 The Companion to Development Studies Vandana Desai,Robert B.
