The Mother of the Book Unsealed Stephen Shabazz Muhammad, 2026-01-20 The Mother of the Book Unsealed Volume I The Rise of Original Man and Woman At the root of all revelation lies the Umm al Kit b the Mother of the Book a preserved and guarded tablet written before time itself From this Divine Source the Qur an and the Bible both spring Yet the Bible without the Qur an remains locked its parables cannot be fully understood without the key of the final revelation Volume I of The Mother of the Book Unsealed restores that key and unveils the divine origin of the Book of Books This first volume brings forward the testimony of the 24 Scientist Elders who every 25 000 years write a Book of Guidance from the Mother of the Book for the nations of the Earth It reveals how their supreme wisdom undergirds the movements of history the cycles of prophecy and the destiny of humanity Their work testifies that nothing appears except what is written and that every rise and fall is measured

according to Divine Law At the heart of this unveiling is the greatest truth of all that Allah God Himself has Appeared in Person The Honorable Elijah Muhammad declared that Master Fard Muhammad is He Who came among us fulfilling the signs spoken of in Scripture the coming from the East the sudden appearance the One Who would raise the dead to life The coming of Allah in human form marks the end of an old world and the birth of the new Volume I also addresses the fall of the Original Man and Woman into bondage and ignorance and their prophesied rise after the Appearance of Allah It testifies that the Black man and woman the first people of the Earth are destined to be restored to our rightful place as the chosen of God The Qur an and the Bible read together bear witness to this rise and the signs of the time confirm that it is now unfolding before our very eyes This is not mere history nor is it theory It is divine revelation brought down to guide us in this hour of judgment The rise of Original Man and Woman is written in the Mother of the Book preserved by the Scientist Elders foretold by the prophets and confirmed by the coming of Allah in Person Volume I of The Mother of the Book Unsealed lays the foundation of the entire series It opens the door to the divine wisdom long sealed revealing our true origin the nature of our fall and the certainty of our resurrection It is the trumpet blast of a new world being called into existence rooted in truth sealed in prophecy and made manifest by Allah Himself This work may be called controversial by the world for it testifies to truths long hidden and fiercely resisted Yet controversy is the natural companion of revelation for every prophet and messenger was opposed when they brought light to a world built on falsehood The Mother of the Book Unsealed is not written to please the critics of this world but to awaken the Lost Found to confirm the faithful and to bear witness that Allah has Appeared in Person If it stirs debate let it be known that the trumpet of truth was never sounded to soothe it was sounded to awaken
