**Children of Lucifer** Ruben van Luijk, 2016-05-02 If we are to believe sensationalist media coverage Satanism is at its most benign the purview of people who dress in black adorn themselves with skull and pentagram paraphernalia and listen to heavy metal At its most sinister its adherents are worshippers of evil incarnate and engage in violent and perverse secret rituals the details of which mainstream society imagines with a fascination verging on the obscene Children of Lucifer debunks these facile characterizations by exploring the historical origins of modern Satanism Ruben van Luijk traces the movement's development from a concept invented by a Christian church eager to demonize its internal and external competitors to a positive anti religious identity embraced by various groups in the modern West Van Luijk offers a comprehensive intellectual history of this long and unpredictable trajectory This story involves Romantic poets radical anarchists eccentric esotericists Decadent writers and schismatic exorcists among others and culminates in the establishment of the Church of Satan by carnival entertainer Anton Szandor LaVey Yet it is more than a collection of colorful characters and unlikely historical episodes The emergence of new attitudes toward Satan proves to be intimately linked to the ideological struggle for emancipation that transformed the West and is epitomized by the American and French Revolutions It is also closely connected to secularization that other exceptional historical process which saw Western culture spontaneously renounce its traditional gods and enter into a self imposed state of religious indecision Children of Lucifer makes the case that the emergence of Satanism presents a shadow history of the evolution of modern civilization as we know it Offering the most comprehensive account of this history yet written van Luijk proves that in the case of Satanism the facts are much more interesting than the fiction

Vey,1976-12-01 Called The Black Pope by many of his followers Anton La Vey began the road to High Priesthood of the Church of Satan when he was only 16 years old and an organ player in a carnival On Saturday night I would see men lusting after halfnaked girls dancing at the carnival and on Sunday morning when I was playing the organ for tent show evangelists at the other end of the carnival lot I would see these same men sitting in the pews with their wives and children asking God to forgive them and purge them of carnal desires And the next Saturday night they d be back at The carnival or some other place of indulgence I knew then that the Christian Church thrives on hypocrisy and that man s carnal nature will out From that time early in his life his path was clear Finally on the last night of April 1966 Walpurgisnacht the most important festival of the believers in witchcraft LaVey shaved his head in the tradition of Ancient executioners and announced the formation of The Church Of Satan He had seen the need for a church that would recapture man s body and his carnal desires as objects of celebration Since worship of fleshly things produces pleasure he said there would then be a temple of glorious indulgence
