

Dick Cheney

Dick Cheney,Jonathan Reiner

Dick Cheney:

Vice Lou Dubose, Jake Bernstein, 2006-10-17 The riveting disturbing expos of the vice president who co opted executive control over the U S government and became the shadow president of the George W Bush administration Dick Cheney was the most powerful yet most unpopular vice president in U S history He thrived alongside a president who had little interest in policy and limited experience in the ways of Washington Yet Cheney s quiet steady rise to prominence over a span of three decades occurred largely behind the scenes He survived the collapse of the Nixon presidency finding a position in the administration of Gerald Ford He was then elected to the House of Representatives and later he earned a spot in the cabinet of the first Bush presidency But when he became George W Bush s running mate Cheney reached a new level of influence From engineering his own selection as vice president to his support of policies allowing torture as a permissible weapon in the war on terror Cheney steered America consistently rightward In *Vice* veteran reporters Lou Dubose and Jake Bernstein uncover startling revelations including the extraordinary intimidation of CIA officials by a vice president bent on obtaining intelligence to support a foregone conclusion the invasion of Iraq details on Cheney s secret energy task force including his meeting with Enron chief Ken Lay months before Lay was indicted and how Cheney went to court to erode the powers of Congress how Cheney helped to kill 2003 diplomatic overtures from Iran to discuss concessions on its nuclear program and policy toward Israel Cheney s role in engineering multibillion dollar military contracts in Iraq to benefit Halliburton the company he once ran In the words of one of Cheney s colleagues from the House Dick keeps his own counsel He s completely in control He s completely sure of himself in everything he does It s what got him to where he is today the most powerful vice president to ever hold office It s also what s bringing about his downfall

Dick Cheney's Diary Stuart Kresiman, 2009-02 Have you ever wondered what lurks inside the minds of our country s leaders In Stuart Kresiman s DICK CHENEY S DIARY one of the United States most controversial and notorious Vice Presidents in history reveals his innermost thoughts A secretive and secluded politician is only as good as his word and when Kresiman discovered this top secret diary among a stack of eight track tapes at Scooter Libby s recent garage sale he decided to share his find with the public At least that s what Kresiman will have you believe in this political satire An Emmy Award winning television writer National Lampoon contributing editor and comedic savant Kresiman began writing the diary for an Internet site based on the notion that Cheney would keep an unofficial Official record of his tenure as Vice President In a short time the column took off and became one of the most popular features in cyberspace Now compiled and expounded upon this book will have you rolling with laughter Be careful though Cheney is a crack shot

Cheney Stephen F. Hayes, 2007-11 During his forty year career in politics Vice President Dick Cheney has been involved in some of the most consequential decisions in recent American history He was one of a few select advisers in the room when President Gerald Ford decided to declare an end to the Vietnam War Nearly thirty years later from the presidential bunker below the White House immediately following the attacks of September

11 2001 he helped shape the response America's global war on terror Yet for all of his influence the world knows very little about Dick Cheney Now in Cheney New York Times bestselling author Stephen F Hayes offers listeners a groundbreaking view into the world of this most enigmatic man Having had exclusive access to Cheney himself Hayes draws upon hundreds of interviews with the vice president his boyhood friends political mentors family members reticent staffers and senior Bush administration officials to deliver a comprehensive portrait of one of the most important political figures in modern times The wide range of topics Hayes covers includes Cheney's withdrawal from Yale his early run ins with the law his meteoric rise to congressional leadership and intelligence battles with the CIA and their lasting effects With exhaustive reporting Hayes shines a light into the shadows of the Bush administration and finds a very different Dick Cheney from the one America thinks it knows

Dick Cheney Elaine Andrews,2001-01-01 Looks at the life of the Vice President detailing his career in public service his role as Defense Secretary and in the Persian Gulf War and his knowledge and experience in both national and international affairs

Culture Wars Roger Chapman,2010 Although openness and inclusion are cornerstones of life in the United States intolerance and reactionary politics are also very real As the nation prepares to elect a new president The Culture Wars addresses the key defining issues of contemporar

Exceptional Richard B. Cheney,Liz Cheney,2015 Former vice president Dick Cheney and his daughter Liz Cheney explain the unique and indispensable nature of American power reveal the damage done by President Obama's abandonment of this principle and show how America can and must lead again

Angler Barton Gellman,2008-09-16 The landmark expos of the most powerful and secretive vice president in American history Barton Gellman shared the Pulitzer Prize in 2008 for a keen edged reckoning with Dick Cheney's domestic agenda in The Washington Post In Angler Gellman goes far beyond that series to take on the full scope of Cheney's work and its consequences including his hidden role in the Bush administration's most fateful choices in war shifting focus from al Qaeda to Iraq unleashing the National Security Agency to spy at home and promoting cruel and inhumane methods of interrogation Packed with fresh insights and untold stories Gellman parts the curtains of secrecy to show how the vice president operated and what he wrought An inspiration for the film Vice starring Christian Bale Amy Adams and Steve Carrell

Richard B. Cheney and the Rise of the Imperial Vice Presidency Bruce P. Montgomery,2009-02-01 On taking office in 2001 Dick Cheney crowned himself the first imperial vice president in the nation's history transforming a traditionally inconsequential office into a de facto fourth branch of government Taking a less journalistic and personal approach to Cheney than previous biographers this critical new biography shows exactly how Cheney engineered his arrogation of vast executive powers and the dire consequences his power grab has had and will long continue to have for the office of the vice presidency the balance of powers the Constitution geopolitics and America's security strength and prestige Taking advantage of the administration's global war on terrorism a president inexperienced in matters of war and peace and a Republican Congress that rated party power above institutional prerogatives Vice President Cheney moved with astonishing speed and energy to assume a

dominant role on the national and international stage as the effective president in proxy of the United States Cheney asserted that all constitutional checks and balances and all individual liberties under the Bill of Rights are subservient to the president's powers as commander in chief in confronting international terrorism Although former administrations had made power grabs in the past in times of national crisis no president and certainly no vice president has ever exerted such sweeping claims of executive power on so many fronts in violation of the bedrock principles of the Constitution **My American**

Journey: My Years In Poetry and Bush's America Collide The Klute, Performance poet Bernard Schober aka The Klute documents his performance poetry written and performed during the Bush presidency Most of it is a hilarious study of America and its politics *Punch Out the President! (and Pals)* Patrick Regan, 2004-04 I think if you know what you believe it makes it a lot easier to answer questions I can't answer your question George W Bush October 4 2000 Have you ever wondered what it would have been like to party with George W during his freewheeling frat days at Yale Have you ever noticed the eerie similarities between Vice President Cheney and Austin Powers Dr Evil Have you ever wondered what it would be like to cast Donald Rumsfeld in the role of a chickenhawk like superhero Well wonder no more With the Punch Out the President and Pals paper doll set you can experience these playtime scenarios and many many more Punch Out the President includes four honest to goodness okay perhaps that's not the most appropriate phrase in this case ten inch tall perforated paper dolls including George W Dick Cheney Donald Rumsfeld and the ever animated Attorney General John Ashcroft Be warned readers of faint heart the dolls Cheney included come clad only in their skivvies Along with the four horsemen of the ridiculous the set includes 16 outfits four for each doll and loads of clever accessories Dick Cheney as a long haired tree hugging neo hippie Why not Rummy as Beat Poet in beret and black turtleneck sweater Sure Ashcroft as a dandy art critic Of course After all these outfits are no more ridiculous than the Commander in Chief decked out in his infamous flight suit right The possibilities are enormous and the outfits are hilarious The emperor may have no clothes but these guys have closets so full there's hardly any room for the skeletons And unlike most things in Washington this play set really works The outfits and accessories attach to the dolls with fold down tabs just like the ones we played with as kids Adding to all this fun is insightful or more properly inciteful commentary for each outfit outrageous but true quotes clever quizzes and games and plenty of other surprises along the way All in all Punch Out the President is a true and fitting tribute to the D C boys club

The Dick Cheney Code Henry Beard, 2004-10-29 A bestselling Harvard bred humorist plans to knock out a slapdash quick buck parody of a wildly successful head spinning clue laden thriller in a flagrant attempt to cash in on the publishing sensation of the decade but the tousle haired satirist's sleazy scheme goes awry when his two heroes beautiful brilliant Sandra Damsel and brawny brainy Professor William Franklin stumble on an explosive and frankly preposterous centuries old secret that plunges them into a puzzle packed plot crammed prose swollen Washington intrigue whose flabbergasting finale will determine the outcome of the 2004 presidential election Cryptic praise for The Dick Cheney Code 1 1 highest rating The

Fibonacci Report Hysterical Lacey shirt Anagram Monthly I laughed so hard I xxxxxx in my pants Redacter s Digest I bend over double I hold my sides I tickle my ribs I slap my thighs Mime Magazine Three syllables sounds like Upper arm Broken arm Broken bone Radius Humerus HUMOROUS Charade Magazine Too funny for words 9 letters starting with P ending in S Acrostic Review

In My Time Dick Cheney, 2011-08-30 In this eagerly anticipated memoir former Vice President Dick Cheney delivers an unyielding portrait of American politics over nearly forty years and shares personal reflections on his role as one of the most steadfast and influential statesmen in the history of our country The public perception of Dick Cheney has long been something of a contradiction He has been viewed as one of the most powerful vice presidents secretive even mysterious and at the same time opinionated and unflinchingly outspoken He has been both praised and attacked by his peers the press and the public Through it all courting only the ideals that define him he has remained true to himself his principles his family and his country Now in an enlightening and provocative memoir a stately page turner with flashes of surprising humor and remarkable candor Dick Cheney takes readers through his experiences as family man policymaker businessman and politician during years that shaped our collective history Born into a family of New Deal Democrats in Lincoln Nebraska Cheney was the son of a father at war and a high spirited and resilient mother He came of age in Casper Wyoming playing baseball and football and as senior class president courting homecoming queen Lynne Vincent whom he later married This all American story took an abrupt turn when he flunked out of Yale University signed on to build power line in the West and started living as hard as he worked Cheney tells the story of how he got himself back on track and began an extraordinary ascent to the heights of American public life where he would remain for nearly four decades He was the youngest White House Chief of Staff working for President Gerald Ford the first of four chief executives he would come to know well He became Congressman from Wyoming and was soon a member of the congressional leadership working closely with President Ronald Reagan He became secretary of defense in the George H W Bush administration overseeing America s military during Operation Desert Storm and in the historic transition at the end of the Cold War He was CEO of Halliburton a Fortune 500 company with projects and personnel around the globe He became the first vice president of the United States to serve out his term of office in the twenty first century Working with George W Bush from the beginning of the global war on terror he was and remains an outspoken defender of taking every step necessary to defend the nation Eyewitness to history at the highest levels Cheney brings to life scenes from past and present He describes driving through the White House gates on August 9 1974 just hours after Richard Nixon resigned to begin work on the Ford transition and he portrays a time of national crisis a quarter century later when on September 11 2001 he was in the White House bunker and conveyed orders to shoot down a hijacked airliner if it would not divert With its unique perspective on a remarkable span of American history **In My Time** will enlighten As an intimate and personal chronicle it will surprise move and inspire Dick Cheney s is an enduring political vision to be reckoned with and admired for its honesty its wisdom and its resonance **In My Time** is truly the

last word about an incredible political era by a man who lived it and helped define it with courage and without compromise

The Great Rift James Mann, 2020-01-14 The Great Rift is a sweeping history of the intertwined careers of Dick Cheney and Colin Powell whose rivalry and conflicting views of U S national security color our political debate to this day Dick Cheney and Colin Powell emerged on the national scene more than thirty years ago and it is easy to forget that they were once allies The two men collaborated closely in the successful American wars in Panama and Iraq during the presidency of George H W Bush but from this pinnacle conflicts of ideology and sensibility drove them apart Returning to government service under George W Bush in 2001 they and their respective allies within the administration fell into ever deepening antagonism over the role America should play in a world marked by terrorism and other nontraditional threats In a wide ranging deeply researched and dramatic narrative James Mann explores each man s biography and philosophical predispositions to show how and why this deep and permanent rupture occurred Through dozens of original interviews and surprising revelations from presidential archives he brings to life the very human story of how this influential friendship turned so sour and how the enmity of these two powerful men colored the way America acts in the world Angler Barton Gellman, 2009 There will almost certainly be no vice president as powerful as Cheney for decades and no account of what he has wrought as compelling as this book James Mann Washington Post Dick Cheney was originally in charge of the selection process for Bush s vice presidential candidate it was only the first of many circuits he would rewire so that power flowed his way Secretive and unaccountable with unprecedented influence he was a whole new kind of vice president Barton Gellman s engrossing investigation explains how he succeeded in distorting both the US constitution and international law to his own ends with stunning revelations of how Cheney steered the country from behind the scenes to bring war to Iraq and remove all checks on executive power After eight years of the Angler s shadow presidency this is a fascinating disturbing account of how he managed it and the damage he left behind A remarkable tale extremely well told To talk of Cheney as co president is scarcely an exaggeration Clive Crook Financial Times As Bush s deputy limps off stage Angler explains how he came to be the most powerful vice president in US history and why this must never happen again Independent Gerald R. Ford and the Politics of Post-Watergate America Bernard J. Firestone, Alexej Ugrinsky, 1993 The Ford presidency has often been viewed as a relatively insignificant period in American history an interlude between the Nixon scandal and the difficult Carter years Today however the brief and relatively quiet period of Ford s tenure is beginning to be viewed as an important time in the development of American politics and society This two volume collection draws together essays commissioned for the Hofstra University Presidential Conference on Gerald R Ford The essays and transcripts of panel discussions prepared by academic political scientists and historians as well as members of the Ford administration are divided into sections devoted to such issues as the pardon of Richard Nixon the Rockefeller vice presidency Middle East diplomacy economic policy and Ford s relations with the press These volumes will be of particular interest to researchers involved with current American politics

social issues and foreign affairs **Shut Up & Keep Shopping** Matthew St. Amand,2011-01-20 WARNING Slight nudity and reams of coarse language Who would be dishonest enough to summarize this book The author I guess It s Wikileaks of satire and outrage that only our wet diaper of a culture could provoke It s the white glove of sarcasm striking the huge rubbery beachball face of this ignoble world It s Thanksgiving 1959 with the Bush Family It s Goodbye Ruby Tuesday It s the pope and Dick Cheney and Canadian Judas Prudence It s man s inhumanity to man Dick Cheney Shot Me in the Face Tim O'Leary,2023-12-12 Dick Cheney Shot Me in the Face And Other Tales Of Men In Pain is an enthralling and award winning story collection Unpredictable humorous sometimes dark and surprisingly heartfelt these stories explore the secret life of men as they pass into adulthood middle age and old age confronting lust pain guilt bewilderment and mortality In eighteen stories we meet a distraught husband who experiences heartbreak and salvation after his wife dies in a car accident caused by a texting teenager a successful man who returns to his hometown and finds his first love stacking jars at a local Costco a sheriff in a Western town who confronts a pedophile and his own past abuse an Iraq war veteran turned bodyguard who encounters the biggest threat of his life in a Las Vegas Nightclub a successful attorney who abandons his legal career to play the iPad guitar and Henry who is shot in the face by Dick Cheney *Heart* Dick Cheney,Jonathan Reiner,2013-10-22 Former Vice President Dick Cheney and his longtime cardiologist Dr Jonathan Reiner share the story of Cheney s thirty five year battle with heart disease providing insight into the incredible medical breakthroughs that have changed cardiac care over the last four decades For as long as he has served at the highest levels of business and government Vice President Dick Cheney has also been one of the world s most prominent heart patients Now for the first time ever Cheney together with his longtime cardiologist Jonathan Reiner MD shares the very personal story of his courageous thirty five year battle with heart disease from his first heart attack in 1978 to the heart transplant he received in 2012 In 1978 when Cheney suffered his first heart attack he received essentially the same treatment President Eisenhower had had in 1955 Since then cardiac medicine has been revolutionized and Cheney has benefitted from nearly every medical breakthrough At each juncture when Cheney faced a new health challenge the technology was one step ahead of his disease Cheney s story is in many ways the story of the evolution of modern cardiac care *Heart* is the riveting singular memoir of both doctor and patient Like no US politician has before him Cheney opens up about his health struggles sharing harrowing never before told stories about the challenges he faced during a perilous time in our nation s history Dr Reiner provides his perspective on Cheney s case and also gives readers a fascinating glimpse into his own education as a doctor and the history of our understanding of the human heart He masterfully chronicles the important discoveries radical innovations and cutting edge science that have changed the face of medicine and saved countless lives Powerfully braiding science with story and the personal with the political *Heart* is a sweeping inspiring and ultimately optimistic book that will give hope to the millions of Americans affected by heart disease Cheney One on One James Rosen,2015-11-02 A book to challenge the status quo spark a debate and get people talking

about the issues and questions we face as a country
