Drawing Near John Bevere,2004 In *Drawing Near* John Bevere urges you not to settle for the dry shadow of Christianity that knows about God without knowing God The incredible invitation from the Creator of the universe is not just to worship Him from afar with words and rituals but to enter a relationship so meaningful and intimate that you know His heart and He knows yours Often we feel God is distant but Bevere says the cause is not God but ourselves Our focus on possessions entertainment and feel good worship form barriers to Him But when we open our lives to Him in humility and obedience He fills us with His Holy Spirit and reveals Himself to us Prayer transforms from a dry one way monologue to a loving dialogue between companions each sharing the deepest secrets of the heart In restoring this intimate relationship with God you will form a loving union with Him that fills your life with joy and passion In this book best selling author John Bevere reveals how Scripture repeatedly declares that God desires a close relationship with us When we draw near to Him we find the presence of His Holy Spirit to be the most energizing exhilarating and transforming experience we have ever known It s hard to want something you don t even know is missing Sadly many of us settle for a bland religion of the mind missing out on the burning ecstasy of intimacy with God We ignore God s holiness expecting to be filled with His Spirit without cleansing our lives in order to receive Him But we were created for intimate fellowship with God *Drawing* from his own journey Bevere shows us the way to rewarding companionship with God Instead of a set of mechanical instructions he gives us a treasure map pointing to God s heart Intimacy can never become a step by step process Bevere explains Rather it is yielding to the entreaty of the greatest lover in the universe and entering an intimate passionate relationship of oneness with Him Book jacket
