Changing Times:

Changing Times Stephen Millward, 2012-12-01 1964 was when the swinging sixties really began Youth culture dominated the media and the spirit of optimism was ubiquitous Yet there were also darker forces at work which proved to be equally significant for the future Changing Times presents a clear and detailed picture of the many personalities events and trends that made this year so remarkable The escalation of the Vietnam War elections in the USA and the UK the struggle for civil rights and the imprisonment of Nelson Mandela are just some of the topics covered Author Steve Millward makes the connections between music and politics and links them to the wider world of art film fashion sport science and technology He also goes beyond the UK and America covering developments in Africa and the Caribbean Throughout the book the focus remains upon the music pop rock folk soul jazz classical which so consistently reached new heights of quality and innovation the repercussions of which are still being felt today Steve covers music recorded and released in 1964 as well as earlier recordings which had an impact that year The most notable instance is The Beatles I Want To Hold Your Hand recorded in October 63 which spearheaded the band s breakthrough in the USA in 1964 Millward also celebrates the work of lesser known but hugely influential figures such as Bert Berns Eric Dolphy and Phil Ochs The originality and insight contained in this book will appeal to intelligent readers of all ages and interests in particular those with an interest in music history and politics Steve draws inspiration from a number of authors including Greil Marcus Peter Guralnick Susan Douglas Alex Ross and Jonathon Green

Adult Education in Changing Times Michael Bernhard, Stephen Billett, Christiane Hof, Katrin Kraus, Victoria J. Marsick, Peter H. Sawchuk, 2026-03-02 This insightful book explores adult learning at the intersection of a rapidly changing world of work and society and the personal lived experiences of individuals navigating these shifts It illuminates the social dimensions of adult learning in the contemporary era highlighting the challenges and opportunities of being able to thrive in times of change Each carefully curated chapter presents theoretical insights empirical findings and diverse perspectives on adult development across the life course drawing from historical cultural and social contexts to enrich the discourse Throughout the authors explore the concept of liquid modernity as a lens to understand the complexities of learning and work presenting innovative frameworks to rethink and redefine these interconnected dynamics They challenge traditional assumptions about lifelong education and invite readers to see learning differently than it was understood in more predictable times By focusing on the dynamic interplay between social contexts life events and lived experiences the book provides a nuanced understanding of adult learning as a process shaped by the evolving demands of work and society This book is an essential resource for researchers educators and policymakers as well as anyone who supports adult learners Offering profound insights into the ways adults navigate learning work and life transitions it outlines a way to allow adults to flourish in an ever changing world

Changing Teachers, Changing Times Andy Hargreaves, 2001-01-10 The rules of the world are changing It is time for the rules of teaching and teachers work to change

with them This is the challenge which Andy Hargreaves sets out in his book on teachers work and culture in the postmodern world Drawing on his current research with teachers at all levels Hargreaves shows through their own vivid words what teaching is really like how it is already changing and why He argues that the structures and cultures of teaching need to change even more if teachers are not to be trapped by guilt pressed by time and overburdened by decisions imposed upon them Provocative yet practical this book is written for teachers and those who work with teachers and for researchers who want to understand teaching better in the postmodern age
