## Changing For Good:

*Changing for Good* James O. Prochaska, John C. Norcross, Carlo C. DiClemente, PhD, 2010-08-24 This groundbreaking book offers simple self assessments informative case histories and concrete examples to help clarify each stage and process Whether your goal is to start saving money to stop drinking or to end other self defeating or addictive behaviors this revolutionary program will help you implement positive personal change for life How many times have you thought about starting a diet or quitting smoking without doing anything about it Or lapsed back into bad habits after hitting a rough spot on the road to recovery To uncover the secret to successful personal change three acclaimed psychologists studied more than 1 000 people who were able to positively and permanently alter their lives without psychotherapy They discovered that change does not depend on luck or willpower It is a process that can be successfully managed by anyone who understands how it works Once you determine which stage of change you re in you can create a climate where positive change can occur maintain motivation turn setbacks into progress make your new beneficial habits a permanent part of your life The National Cancer Institute Found this program more than twice as effective as standard programs in helping smokers quit for 18 months

Changing for Good Melissa Evans-Andris, 2010-01-11 This important work identifies the critical elements of sustainability the necessary goal of systemic reform which requires a long term commitment to change for the benefit of students Lois Adams Rogers Deputy Executive Director Council of Chief State School Officers Implement a comprehensive whole school reform program that lasts The recent emphasis on educational reform has led to many books on initiating school improvement but relatively few on how to sustain reform efforts so that improvements have a lasting impact Changing for Good offers a detailed examination of current schoolwide reform efforts and identifies strategies for introducing managing and sustaining successful school renewal programs Based on a four year study of 74 schools the book provides a model for generating the necessary district support schoolwide leadership teacher commitment and performance outcomes to cultivate improvement that lasts Applicable at the state district and school level this model helps readers Align reform efforts with educational standards and accountability guidelines Create a research based improvement plan Support change by developing a shared vision Promote distributed leadership Celebrate gains to encourage cooperation The most beneficial school improvements are the ones that endure With this exceptional resource educational administrators and leaders can create a school environment that embraces meaningful change sustains positive reform and ensures successful learning outcomes
