Changing Face Of Germany:

The Changing Faces of Citizenship Joyce Marie Mushaben,2008-10-01 In contrast to most migration studies that focus on specific foreigner groups in Germany this study simultaneously compares and contrasts the legal political social and economic opportunity structures facing diverse categories of the ethnic minorities who have settled in the country since the 1950s It reveals the contradictory and usually self defeating nature of German policies intended to keep migrants out allegedly in order to preserve a German Leitkultur with which very few of its own citizens still identify The main barriers to effective integration and socioeconomic revitalization in general sooner lie in the country s obsolete labor market regulations and bureaucratic procedures Drawing on local case studies personal interviews and national surveys the author describes the human faces behind official citizenship and integration practices in Germany and in doing so demonstrates that average citizens are much more multi cultural than they realize

Changing Face of Germany Sonja Schanz,2002 Looks at how Germany is changing to meet the challenges of the 21st century Includes information and statistics about key geographical themes as well as short commentaries by a cross section of German citizens Suggested level primary intermediate junior secondary

Changing Face of Germany Sonja Schanz,2002 For 40 years of the 20th century Germany was a divided country The peoples of East Germany and West Germany lived very different lives Then in 1990 Germany was reunited and its people faced the task of building one nation Now in the 21st century changes in society and the world of work are bringing new challenges
