## **Dancing With Demons:**

Dancing with Demons Miguel Garcia, 2009-11 I had been writing in a journal since I was very young probably about twenty years ago I am now thirty three I was always afraid of being mocked for my poetry One day a friend read my work and I saw the emotion my work evoked The more open I became the more positive reinforcement I received to push myself and work on getting my collections published It has been a very difficult and frustrating process and I hope that all these years of writing will pay off and I can finally feel like I have achieved something in my life I have had God by my side at all times and I know He will always be there waiting for me to ask Him for guidance and strength It is when I am ignorant and I am determined to self destruct that I am surrounded by evil There are forces that surround us that we cannot comprehend We can ride the waves of darkness until there is nothing left for us to live or we can believe that we will prosper through our faith in God I have done both with such consistency that I find myself in limbo I have chosen to dance with my demons because I believe in my heart that I could never defeat them in the end unless I have learned their ways There will come a time when I shall have to face my worst fears I am not sure what happens after we die and that is terribly frightening This is an anthology of my battles within my conscience that determine the decisions I make whether they be good or bad Again I hope this can touch a few people so that when I face my judgment I may be redeemed for the sins I have committed MIGUEL GARCIA currently resides in Pearland Texas and is working toward his Masters in Psychology In and out of trouble since the age of fifteen much of his teenage years were spent in hospitals jail and finally a year in prison After he was released he worked and went to school trying to make up for lost time vainly searching for a feeling of normality In his late twenties this became very difficult as he began struggling with hallucinations and violent behavior He had kept himself somewhat isolated but as his strange visions and unpredictable actions took over his life he pushed away anything normal and began what seemed like a personal quest for self destruction This project has been his only solace bringing him peace from the realization that he is finally doing something positive for himself and he hopes for others who feel the emptiness as he does As I have watched him over the past several years I have seen the worst of him and the best when I truly thought he had hit rock bottom only to see him pick himself up and start over again He is a paradox of a person standoffish and indifferent on the outside but for the person who takes the time to look behind the wall that he has built you will see the light that shines from him He has lost much with his illness and the choices he has made His decisions have been his own and he will be the first to say that its his life and he will live it as best he can Poetry is an intimate mountain of private thoughts and his goal is that his writing may help someone out there who feels that they are alone Through his poems he wants others to feel how important it is to have faith in a higher power to know you need not bow down to others who want you to feel inadequate and that a person can come back from anything and live a confident and fulfilling life

Echoes of Love Must I be Shakespeare to express our pure love one which was definitely greater than life our elixir our magnum opus transcendental and everlasting We had it so good enjoying each other seductively best friends and lovers or frivolous lovers and friends difficult to say what was first or rather both at once Our love was the Sun splashing us most brightly and the shimmering stars at fully luminescent nights sending us ethereal kisses of genuine love incessantly Our love were beautiful people smiling at us warmly wishing us all the goodwills there are in the world and we ourselves fully united in each other as one Everything was in place rightfully and blissfully godly flawless rivers of honey seas of boundless beauty biodiversity serving us as we doing our best for her But when you went unexpectedly one day away with no goodbye at all not even a word of farewell it was the end of the world for me Hamlet alike Stars crashed down on Earth the next moonless night and I was swept fast away by raging tides of the sea a castaway on the ocean in its full and ghostly storm I was myself a vulnerable bottle with a message inside saying I love you till the end of the world and beyond the bottle filled with the tears of my despair your lover And the scintillating echoes spread across the world like the Brazilian tango on the Copacabana beach just a walking distance from charming Rio de Janeiro The echoes and echoes and echoes and echoes like the Argentinian tango in elegant Buenos Aires like the sparkling Parisian tango of truthful lovers The echoes of tangoes tinkling hissing and ringing whistling buzzing rattling whizzing jingling like bells gorgeously dynamic on the streets and in ballrooms The echoes never ending in the breezes of winds blowing ecstatically across vast lands and continents and under the rhythmic and pulsating symphonic skies One had impression one saw mysterious Amazons on wild galloping horses with manes like wings seeming to fly in the air but these were just echoes Echoes of love passion desires and ethereal dreams but above all of the thundering iridescent tangoes the tangoes of love dreams which came true of life The rhapsodic tangoes in every corner of this world Oh long live love long live tangoes of love May dazzling echoes spread you across the world Love yourselves to your best dear amaranthine lovers spread your sensual love to every single individual This world must become a planet of love now Dance in the various tangoes whirling tangoes Not only Argentinian tangoes but also salon tangoes English tangoes NeoTango all the tangoes there are Forget the sorrows of daily life the ups and the downs Give in into the
