Double Ugh:

Double Ugh! Anne De Graaf,1997 Written in a fresh humorous style these six easy to read books deal with issues common to all families Full color illustrations are featured throughout Opposite each illustrated page is a page of text Printed in easy to read large type Especially for children aged 3 7 years *Xanth by Two* Piers Anthony,2010-02-16 In Demons Don't Dream Dug and Kim battle across the terrain as they test their mettle and in Harpy Thyme Gloha agrees to serve the Good Magician for one year if the magician will create her a male harpy to love **Take Two** Julia DeVillers,Jennifer Roy,2011-08-02 Payton and Emma left a trail of chaos in their wake when they traded faces just for fun This time they'll switch places to help each other and their friends out of a ginormous mess Payton is helping out on the middle school musical while Emma puts her brains to use by tutoring more like twotoring identical twin boys But when the boys turn out to be double trouble Payton and Emma's worlds collide and lead to more middle school mix ups and mayhem In the end Payton and Emma realize that no matter what they have each other's backs as well as faces Boys in the Back Row Mike Jung,2020-10-06 Best friends Matt and Eric are hatching a plan for one big final adventure together before Eric moves away during the marching band competition at a Giant Amusement Park they will sneak away to a nearby comics convention and meet their idol a famous comic creator Without cell phones Or transportation Or permission Of course their final adventure together is more than just that really it's a way for the boys to celebrate their friendship and their honest love and support for one another That's exactly what we love so much about The Boys in the Back Row it's an unabashed ode to male friendship because love between boys platonic or otherwise is something to celebrate And of course because this is Mike Jung we'll be celebrating it with hilariously flawed hijinks and geekiness galore *The Square Root of Negative Forty-Two* Adam Douglas,2011-02-19 When Professor Adam Douglas finally makes it back to the cusp of creation he is immediately haunted by one thing how to take his beloved Miss Eve Milgrew back with him The problem the parabolic design of his time machine can only accommodate one traveler at a time When the two love birds attempt the unthinkable and head back together as one the unspeakable happens Miss Milgrew falls off As best he can tell somewhere between the Battle of the Alamo and the beginning of time The rest as they say is history or in this case un history as Professor Douglas struggles against all odds to find Miss Milgrew and bring her back safely to the here and now Along the way he is forced to confront everything he has ever held sacred Even the number 42 Thanks to his juxtaposed namesake Douglas Adams and his epic work The Hitchhiker's Guide to the Galaxy there was a time not long ago when the ultimate answer 42 went unchallenged Not any more **The Country Gentleman's Magazine** Anonymous,2025-11-30 Reprint of the original first published in 1871 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage *Mark Lane Express* ,1909 Double-dare to be Scared Robert D.
