## **Bittersweet Chances:**

Bittersweet Chances Dana Selenke Broehl, 2004-04 Chronic illness has the ability to rob life of its joy and meaning The social psychological and emotional challenges of a chronic illness can destroy lives and leave empty human shells in its wake But just as chronic illness is a thief it is also a giver It has the ability to transform lives by providing countless opportunities for knowledge personal growth and perspective Chronic illness challenges us to accept its intrusively difficult nature and grow through the difficulty Through a series of poignant essays and chronicled journal entries Bittersweet Chances recounts Doug and Dana Broehl s journey of growth through the darkness of cystic fibrosis and the renewed hope of a double lung transplant

**Bittersweet Chances** Anthony Gorin, 2025-06-03 This anthology is a look at lost moments of love and care In this tender and introspective collection love blooms quietly shy soft unrequited unknown perhaps never to be known These poems explore the delicate terrain of affection born in the wrong time in the wrong place between hearts that could not meet without consequence With themes of kindness care and the aching beauty of a crush never confessed This chapbook reflects on a connection too fragile to hold yet too profound to forget Each piece is a meditation on what it means to feel deeply in silence to weigh the cost of speaking the pressure of unspoken tension and the wisdom of walking away for the sake of both souls Though nothing came of it the echoes remain bittersweet haunting and quietly transformative This is a book about restraint about heartbreak handled with grace and about the lessons we carry from the loves that never were Second Chance Heather Brewer, 2014 Joss is summoned by Abraham to New York City and told he must prove his loyalty to the Slayer Society by successfully leading a team in hunting a murderous Manhattan vampire or his life will be forfeit
