

Performance Task 3: GESTURES SPEAK
Oral Communication in Context
Second Quarter

Directions:

1. Memorize the following excerpt from one of the motivational speeches given by Bryan Dyson, the former CEO of Coca Cola, as a commencement address at Georgia Tech in 1996.
2. Take a video of yourself delivering the excerpt. Make sure to have **proper gestures and facial expressions**.

"Imagine life as a game in which you are juggling some five balls in the air. You name them—work, family, health, friends and spirit...and you're keeping all of these in the air.

You will soon understand that work is a rubber ball. If you drop it, it will bounce back. But the other four balls—family, health, friends and spirit—are made of glass. If you drop one of these, they will be irrevocably scuffed, marked, nicked, damaged or even shattered. They will never be the same. You must understand that and strive for balance in your life.

3. Send your recorded video to your subject teacher's Facebook Account (Darell Ann T. Bantolina). Deadline of submission will be on Friday, November 8.
4. Be guided by the rubric for assessment.
