Almost Hell:

Area 187 - Almost Hell Eric R. Lowther,2011-05-31 In the year 2007 an accident at a clandestine U S government facility in rural West Virginia releases several test subjects infected with a necrotic virus Within weeks the U S military and the Department of Homeland Security are forced to declare the bulk of the state under quarantine Seven years pass Conspiracies continue to thrive outside the now immense defensive wall and fortifications and mercenaries known as grave robbers regularly slip in and out of the Area stealing valuables and taking contracts to bring back specific items for well paying customers Our story follows Josephine Terrell a television reporter and John Heath once an Air Force search and rescue team leader that escaped the Area after five years of fruitless searching for his wife as they risk their lives from both the dead and the living inside Area 187 to rescue a group of survivors

increasingly violent sex and in love Pervatory is a series of journal entries about Martin and Alexandar s relationship But interjections from the present where Martin has been institutionalized suggest that the hints we get of his increasing instability and obsession with the idea that his apartment is haunted by an evil spirit may have led to something dire RM Vaughan was an astute art critic a dazzling poet and an important queer activist His untimely death in October 2020 was a tremendous loss to the queer and literary communities This novel is what he left for us Pervatory is RM Vaughan s perverse Valentine to Berlin It is sexy funny often elegant and a fitting elegiac punctuation mark to his incredible body of work Given the way he left us it is as devastating as it is exhilarating journalist and Lambda Award winning author Matthew Hays RM Vaughan was a promiscuous pansy a louche moralist a lonely heart but most importantly he was a writer an irritating idiosyncratic incisive writer This country with its mawkish mediocre literary culture didn t know what to do with him Pervatory is his final affront Derek McCormack author of Castle Faggot Brilliant funny propulsive Zoe Whittall author of The Best Kind of People *Helldorado, Bringing the Law to the Mesquite* William M.
