A Days Work:

All in a Days Work E.C.Herbert,2012-11-20 This is the true story of my life my auto biography The events all happened Only the names of some of the participants have been changed The story may well be biased but it is how I remember it and if in the telling I have done injustice to anyone then I am sorry If I come across as conceited shallow or too clever for my own good or without conscience I put my hand up and say so be it It was truly a good life and I am grateful to all those I met on my lifes long journey Particularly my wife and my family without whos support even when I let them down has sustained me at all times
