**Anne Hébert** Anne Hébert, A. Poulin (Jr.), 1988 **Anne Hébert** Delbert W. Russell, 1983 Biography and literary criticism of Quebecer author and poet Anne Hébert

*Beware the Stranger* Peter Noble, 2002 The stranger survenant represents an important theme in Quebec literature of the second half of the twentieth century This book analyses the role of the survenant in five major novels dating from 1945 to 1992 and shows how the theme is constantly reworked and revitalised by the authors selected The arrival of a survenant in a community brings to the surface the conflicts and tensions which had been latent The consequences can be tragic for all concerned At the least the community is changed forever This is the first study of the way in which different Quebecois authors treat the survenant and should be of interest to all students of Quebec literature and culture

*A Journey in Translation* Lee Skallerup Bessette, 2016-08-03 This book traces the remarkable journey of Hébert's shifting authorial identity as versions of her work traveled through complex and contested linguistic and national terrain from the late 1950s until today At the center of this exploration of Hébert's work are the people who were inspired by her poetry to translate and more widely disseminate her poems to a wider audience Exactly how did this one woman's work travel so much farther than the vast majority of Quebecois authors Though the haunting quality of her art partly explains her wide appeal her work would have never traveled so far without the effort of scores of passionately committed translators editors and archivists Though the work of such middle men is seldom recognized much less scrutinized as a factor in shaping the meaning and reach of an artist in Hébert's case the process of translating Hébert's poetry has left in its wake a number of archival and other paratextual resources that chronicle the individual acts of translation and their reception Though the impact of translation editions and archival work has been largely ignored in studies of Canadian literary history the treasure trove of such paratextual records in Hébert's case allows us to better understand the reach of her work More importantly it provides insight into and raises critical questions about the textually mediated process of nation

building and literary canon formation Published in English **The First Garden** Anne Hébert,1990-02-23 Flora Fontages is a famous Parisian actress who has been in exile from her native Canada for twenty years When word comes that her long estranged daughter Maud has disappeared in Quebec City she decides to return home accepting the part of Winnie the old crone in Samuel Beckett's Happy Days at a local theatre The visit unexpectedly turns into a devastating confrontation with her past and present illusions as Flora finds she must come to terms with all the roles she has ever played in life as actress woman mother child and lover *The Early Generations of the Du Pont and Allied Families* Henry Algernon DuPont,1923

**The Early Generations of the Du Pont and Allied Families** Henry Algernon Du Pont,1923 Anne Hébert.
