## Colonel Redl:

**New York Magazine**, 1985-10-14 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea.

*Egon Erwin Kisch, the Raging Reporter* Egon Erwin Kisch, Harold B. Segel, 1997 Egon Erwin Kisch 1885-1948 is widely regarded as one of the most outstanding journalists of the twentieth century. He is also credited with virtually defining reportage as a form of literary art in which accuracy of observation and fidelity to facts combine with creative narrative. Born in Prague under the Austro-Hungarian Empire, Kisch began his career as a crime reporter for local newspapers. He saw combat in Serbia as a soldier in the Austro-Hungarian Army in World War I, led an abortive left-wing coup d'état in Vienna in 1918, and became famous in the German-speaking world as *der rasende Reporter*, the raging reporter, when he exposed the attempted cover-up of a case of treason in high places that rocked the Habsburg Empire on the eve of World War I. He visited North Africa, the Soviet Union, Central Asia, Australia, China, and the United States, where he traveled from one coast to the other as an ordinary seaman, made friends with Charlie Chaplin and Upton Sinclair, and commented with wit and irony on American life.

*Thunder at Twilight* Frederic Morton, 2014-03-25 *Thunder at Twilight* is a landmark historical vision drawing on hitherto untapped sources to illuminate two crucial years in the life of the extraordinary city of Vienna and in the life of the twentieth century. It was during the carnival of 1913 that a young Stalin arrived in Vienna on a mission that would launch him into the upper echelon of Russian revolutionaries, and it was here that he first collided with Trotsky. It was in Vienna that the failed artist Adolf Hitler kept daubing watercolors and spouting tirades at fellow drifters in a flophouse. Here Archduke Franz Ferdinand had a troubled audience with Emperor Franz Joseph, and soon the bullet that killed the Archduke would set off the Great War that would kill ten million more. With luminous prose that has twice made him a finalist for the National Book Award, Frederic Morton evokes the opulent, elegant, incomparable sunset metropolis Vienna on the brink of cataclysm.

**Sensation Fair: Tales of Prague** Egon Erwin Kisch, 2019-08-16 *Sensation Fair: Tales of Prague* Marktplatz der Sensationen is the memoir of the writer who elevated journalism to the status of literature in 20th-century Europe. Taking his cue from the blind Czech balladeer who sang in the courtyard of his family's Prague apartment in the 1890s, Egon Erwin Kisch created a body of work based in fact. Kisch wrote *Sensation Fair* in Mexico during his exile from Nazi-occupied Europe, as Stefan Zweig was writing *The World of Yesterday* in Brazil. Although the writers were Central European Jewish contemporaries, they could not have been more different. *Sensation Fair* is the memoir of a former police reporter and dedicated Communist. His rollicking, ironic, muckraking portrait of turn-of-the-century Prague is a passionate argument for the value of non-fiction narrative, delightfully and cleverly done, with dozens of good yarns and stories in it. He

writes with a touch and a wit of his own The New York Times Sensation Fair is brisk story and haunting picture of a youth in old Prague journalism in the Austro Hungarian Empire conspicuously varied both in substance and mood Egon Erwin Kisch can see life and write of it with incisive concentration and romantic allusiveness tenderness and ribaldry humor and candor and scorn a lively and mellow picture personal and not too nostalgic of a bygone world The New York Times One feels in the presence of this book as in the presence of the author himself a richness and zest that cannot be defeated in the most difficult conditions of exile at once considered and colloquial one sees reflected the buoyancy and seriousness which are equally basic to Kisch's character The New Masses **Espionage!** Hans Rudolf Berndorff,1930 *Spies* Joseph Gollomb,1928 *The Story of Secret Service* Richard Wilmer Rowan,1937 *The North-China Herald and Supreme Court & Consular Gazette* ,1913 New York Magazine ,1985-10-14 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea For God and Kaiser Richard Bassett,2015-01-01 The definitive history of Austria's multinational army and its immense role during three centuries of European military history Among the finest examples of deeply researched and colorfully written military history Richard Bassett's For God and Kaiser is a major account of the Habsburg army told for the first time in English Bassett shows how the Imperial Austrian Army time and again was a decisive factor in the story of Europe the balance of international power and the defense of Christendom Moreover it was the first pan European army made up of different nationalities and faiths counting among its soldiers not only Christians but also Muslims and Jews Bassett tours some of the most important campaigns and battles in modern European military history from the seventeenth century through World War I He details technical and social developments that coincided with the army's story and provides fascinating portraits of the great military leaders as well as noteworthy figures of lesser renown Departing from conventional assessments of the Habsburg army as ineffective outdated and repeatedly inadequate the author argues that it was a uniquely cohesive and formidable fighting force in many respects one of the glories of the old Europe **New York Magazine** ,1985-10-14 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *Digest; Review of Reviews Incorporating Literary Digest* ,1928 Colonel Redl ,1985\* **The Panther's Feast** Robert B.
