Colonel Death:

Death of a Confederate Colonel Pat Carr,2011-07-01 Dramatically compelling and historically informed The Death of a Confederate Colonel takes us into the lives of those left behind during the Civil War These stories all with Arkansas settings are filled with the trauma of the time They tell of a Confederate woman s care of and growing affection for a wounded Union soldier a plantation mistress s singular love for a sick slave child and an eight year old girl s fight for survival against frigid cold injury starvation heartbreak and lawlessness Here are women holding down the home front with heroism and loyalty or sometimes with weakness and duplicity Will a young belle remain loyal to her wounded fiance How long can a caring nurse hold her finger on a severed artery And how does anyone comprehend the legacy of slavery and the brutality of war The Death of a Confederate Colonel triumphs in its portrayal of desperate circumstances coated in the patina of the Civil War era the complexity of ordinary people confronting situations that change them forever **Colonel Death** Jon Sharpe,1991
