Sign River Stone, AI, 2025-02-19 The Hollywood Sign explores the surprising history of this global icon tracing its path from a 1923 real estate advertisement for Hollywoodland to a symbol of the entertainment industry The book examines the sign's creation near destruction and eventual restoration revealing how community efforts and financial investments ensured its survival It also analyzes the sign's cultural significance highlighting its role as a visual representation of the American Dream and the complex interplay between commerce and cultural identity This book uniquely moves beyond a simple history to explore the sign's deeper meanings Did you know that the original sign was only intended to last for a year and a half Or that its near collapse led to widespread public campaigns to save it The book delves into archival photographs city planning documents and interviews to present a compelling narrative Structured in three parts the book first introduces the sign's origins then details its decline and reconstruction and finally explores its modern identity within film television and popular culture Ultimately Hollywood Sign provides valuable insights into urban development cultural heritage and the power of visual communication

**Philippines** International Monetary Fund. Asia and Pacific Dept, 2025-12-14 The Philippine economy has achieved successful disinflation on the back of a well calibrated monetary policy tightening cycle and concerted government measures to reduce food prices Domestic demand underpinned by public spending has been resilient supporting headline growth The Philippines is affected by the recent increase in global trade barriers though its direct exposures remain relatively limited playing a mitigating role Growth is expected to remain robust but below its potential in the near term amid heightened external challenges while inflation is expected to remain muted Risks are tilted to the downside stemming from rising global trade barriers and policy uncertainty while natural disasters continue to pose important macroeconomic risks
