Creating Single-party Democracy Tetsuya Kataoka, 1992

Building Democracy in One-Party Systems Gary

Wekkin, 1993-04-28 With democratic capitalism appearing to sweep the world this timely collection addresses theoretical and practical aspects of building democracy in one party systems Contributions examine the progress and condition of democracy in Central and Eastern Europe Africa and the two Chinas the fall of Gorbachev and the Serbian drive for hegemony in the Balkans Focusing upon four main areas the volume analyzes 1 the theoretical challenge of creating and sustaining democracy 2 the experience of operating democracy in the absence of two party competition as found in the Southern United States 3 building democracy in the place of communism and 4 building democracy in less developed countries **Japan's**

Dysfunctional Democracy: The Liberal Democratic Party and Structural Corruption Roger W. Bowen, 2016-09-16 This is a short readable and incisive study of the corrosive effects of corruption in one of the world's major liberal democracies It explores the disconnect between democratic rule and undemocratic practices in Japan since the Second World War with special attention to the corrupt practices of various prime ministers and the resulting sense of political cynicism and powerlessness among the general public *Hegemonic Cooperation and Conflict* Qingxin K. Wang, 2000-08-30

Postwar Japan has consistently maintained close cooperation with the United States over the last four decades over such major issues as Japan's recognition of China their peace treaties and more recently Japan's resumption of the yen loan to China suspended in the wake of the Tiananmen incident This has been in spite of Japan's well known conflict of interests in China with the United States Japan's cooperation with the United States sheds new light on some important questions which are central to current debates about the shape of the new world order in general and America's world role in particular in the post Cold War era What has been the role of American power in maintaining Japan's cooperation What have been the bases of American hegemony in the post war world How has American hegemony changed over the years Qingxin K Wang addresses and illuminates these important questions through a detailed and provocative study of Japan's relations with the United States over China policy in the last four decades Introduction to Japanese Politics Louis D. Hayes, 2016-09-17

This classic introduction to the Japanese political system has been revised and updated to take the account of a time of turmoil in the country's political life It incorporates new coverage of the end of the Koizumi era the brief and troubled premiership of Abe and the selection of Fukuda as prime minister This edition also includes expanded material on bubble and post bubble economic developments as well as all new coverage of health care policy The text opens with an overview of Japan's geographical setting and history The next group of chapters covers political institutions processes and actors Two sections then address the country's distinctive social order and economy educational healthcare and public safety systems Part five looks at the increasingly contentious realm of foreign relations and security issues including China's expanding role and the issue of North Korea A concluding section considers dynamics of change in Japanese politics Democracy and Party

Systems in Developing Countries Clemens Spiess,2008-11-27 This book examines and compares the emergence development and impact of the party systems in post colonial India and post apartheid South Africa It will be of interest to academics working in the field of democracy and development Selections from One Party Democracy Lionel Cliffe,1967

The party system. Public opinion. Illustrations and reflections. Social institutions James Bryce Bryce (Viscount),1894 **Responsible Partisanship?** John Clifford Green,Paul S. Herrnson,2002 More than fifty years have passed since the American Political Science Association published *Toward a More Responsible Two Party System* a controversial report that addressed the lack of national cohesion within the major parties Although parties have changed a great deal since then they remain a critical component of American democracy While the possibilities and limits of responsible party government have been central topics in the literature since 1950 this book is the first to reassess all aspects of the APSA report Here a distinguished group of scholars among them Charles O Jones Barbara Sinclair Frank J Sorauf John Bibby and Gerald Pomper examine the effectiveness accountability and relevance of parties to the democratic process These articles cover all major relevant topics focusing on recent changes in laws that govern parties innovations in party organization party finance and the relationships among political consultants and parties They examine the place of the party in government including chapters on the changing role of parties in Congress and in the presidency and also consider the roles of parties among the electorate examining trends in voting behavior party identification and ideology A capstone essay by Leon Epstein the dean of American party scholars reviews the ongoing quest for responsible partisanship over the past half century These contributors offer a mixed assessment of the two party system showing that parties are in many respects stronger at the national level than they were in 1950 but not necessarily more responsible The most comprehensive description and analysis of American parties now available *Responsible Partisanship* should become required reading for all students and citizens concerned with making parties more accountable instruments of government *The national government. Creating Single Party Democracy Introduction

In the digital age, access to information has become easier than ever before. The ability to download Creating Single Party Democracy has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Creating Single Party Democracy has opened up a world of possibilities. Downloading Creating Single Party Democracy provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Creating Single Party Democracy has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Creating Single Party Democracy. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Creating Single Party Democracy. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Creating Single Party Democracy, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability

to download Creating Single Party Democracy has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
