Rivers, 2005 Evangelization

contrary to what many people believe is not just a Protestant concern in fact writes Robert Rivers it is Catholic to the core In this practical approachable work he suggests that the Catholic parish is a wonderful setting to carry out the evangelizing work of the church He makes the case that evangelization holds the key to the future of the church because it was in fact the centerpiece of post Vatican Council reform Drawing from the USCCB document Go and Make Disciples which offers a comprehensive plan and strategy for evangelization he explores ways to challenge us to become Catholic evangelizers And he proposes ways to move from maintenance to mission oriented parishes My purpose affirms the author is to try to place before the reader a compelling vision of Catholic evangelization and share some strategic thinking that might enable us to implement the great vision to which we have been called He attains that goal convincingly practically and hopefully [Go and Make Disciples](#) United States Conference of Catholic Bishops,2024-01-04 Through our baptism all of us are called as disciples of Jesus Christ to go therefore and make disciples of all nations Mt 28 19 As a community of disciples we can and must share the Gospel with those who haven't received the Good News Go and Make Disciples provides a clear roadmap for evangelization in today's world Written for all Catholics not just those in parish and evangelization ministry this book provides the faithful with a powerful instrument for opening wide the doors of Christ *Made for Mission* Tim Glemkowski,2019-09-26 God has created me to do him some definite service he has committed some work to me which he has not committed to another I have my mission Blessed John Henry Newman The statistics are heartbreaking In 2007 24 percent of Americans identified as Catholic By 2014 that had dropped to 21 percent The number of people who claim no religious affiliation has surpassed Catholics and evangelicals making none the largest religious group in the United States Catholics are simply walking away from the Church Yet there are many committed faithful Catholics who desperately want to stem this tide We are here in this moment and are called to be part of the mission for the sake of our members and for those who are still outside the Church Yet while we long for this renewal we are often at a loss as to how to accomplish it in a practical way What steps do we take How do we start and how do we continue How will we measure success and how long will it take In *Made for Mission Renewing Your Parish Culture* author and speaker Tim Glemkowski offers four keys that can radically change parish culture Cast the vision Prioritize a clear path to discipleship Mobilize leaders Align everything Implementing these four keys over time parishes can become not simply gathering places for worship but seedbeds of discipleship and missionary outposts of the New Evangelization This book is a must read for Catholic clergy lay parish staff anyone working in ministry and any dedicated parishioner who is passionate about renewing the Church Click here to register for the related webcast ABOUT THE AUTHOR Tim Glemkowski is an international speaker and the founder and president of L'Alto Catholic Institute He is also cofounder and president of Revive Parishes an online formation platform for parish leaders Tim has served in various roles in evangelization including teaching high school theology with youths and young adult ministry at a parish and as a director of evangelization and catechesis He double majored in theology and
