## Creating The New World:

**God's Autopsy and the Living Truth of Soul** Hal Childs, 2022-08-22 The Grand Narrative of Christianity that the Bible created is dead and the Bible is silent Does the Bible have anything relevant to say to our modern circumstances We ask where did God come from What happened to God God's Autopsy reinterprets soul and God as historical psychological phenomena related to the cultural structure of consciousness the invisible shared context of thought which has changed dramatically over the past three millennia This book offers a new way to understand the trajectory of Western civilization by making the implicit foundation of Western consciousness soul visible and conscious Our modern Western consciousness is radically different from that of antiquity when the Bible emerged Jung's psychological philosophical insight that whenever we speak about the psyche it is the psyche speaking about itself leads to the realization that today consciousness has come home to itself Beginning with preliterate polytheism the emergence of the transcendent god Yahweh and Christ which led directly to the Enlightenment objective soul continues to unfold itself How did late modernity become a topsy turvy quantum virtual digital impersonal and abstract world that appears to be running away from us The answer is unexpectedly and shockingly in the Bible itself

**Isaiah** Leslie J. Hoppe, 2016-12-01 The book of Isaiah uses both prose and poetry to engage readers in a drama of great emotion and intensity Although the circumstances under which this book took its present form remain in scholarly dispute this commentary highlights its larger purpose to provide the people of Judah and Jerusalem with hope for the future and the will to re embrace their ancestral religious traditions Leslie Hoppe assumes the composite character of the books and approaches the work as a whole with its own literary and theological integrity Unlike many other contemporary commentaries on the book of Isaiah the divisions of the book used here focus on its literary shape rather than the history of its composition With this approach we recognize that the book of Isaiah is an expression of faith in the Holy One of Israel and in the future of Jerusalem both of which have decisively shaped the faith of Jewish and Christian believers over the centuries Leslie J Hoppe OFM is an adjunct professor at Catholic Theological Union after serving on its faculty for twenty four years and serves as the provincial minister of the Assumption Province Franciscans He has written several books on biblical studies and archaeology including The Holy City Jerusalem in the Theology of the Old Testament Liturgical Press 2000 He is a former editor of The Bible Today and currently serves on its editorial board

balance of insight and instruction to help you find inspiration whenever you need it and capitalize on it every time Almost Mine Clifford Ward,2010-12 Vivid descriptions and interesting events parallel human life throughout time make this book a fascinating story for every Christian Lucifer the fallen angel and cause of all evil is a well known entity However during the course of Bible study and Biblical history research the author realizes that there was never a lot of time and thought put into Lucifer s life story and the true reason that he fell from grace Since he was the first of all created creatures and intelligent beings called into existence surely he began his life in a state of absolute innocence In the evolution of time the core of his character underwent change in the same manner as do ours from the moment of our birth The difference between our growth years during which many of us fall from grace committing sin and become evil and his time of growth is a matter of parental and friendship influences that are of a fallen nature Lucifer was surrounded by beings loyal to the Creator and the Creator was his teacher Therefore Lucifer had no excuse for his course of action He had never seen any examples of disobedience Hence his rebellion was an invention that materialized from within his own heart He is not only the father of lies but also the inventor of games involving deception and misdirection Like the peoples of this world who spend a great deal of their time playing all types of games to distort good into evil so did Lucifer play a game of deceit Even though the angels were naive and did not know the purpose of Lucifer s games just by innocently participating they turned away from the Lord causing them to lose eternal life Through the course of this reading you will see both the mercy and love of God extended without limitations to his fallen creation You will see the progression of character development one in obedience to the Creator and the other in disobedience that leads to death It is the author s hope that this work will help you develop a deeper relationship with our Redeemer Christ Jesus the Son of God by making you aware of how easy it is to fall from grace
