

God's creation of day and night

Day 1 of creation: And God said, "Let there be light," and there was light. God saw that the light was good, and he separated the light from the darkness. God called the light "day," and the darkness he called "night." And there was evening, and there was morning—the first day.

God's creation of the sea and the sky

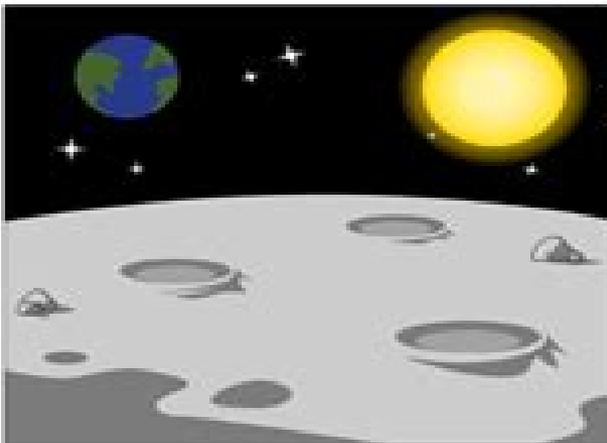

Day 2 of creation: And God said, "Let there be a vault between the waters to separate water from water." So God made the vault and separated the water under the vault from the water above it. And it was so. God called the vault "sky." And there was evening, and there was morning—the second day.

God's creation of land and vegetation

Day 3 of creation: Then God said, "Let the land produce vegetation: seed-bearing plants and trees on the land that bear fruit with seed in it, according to their various kinds." And it was so. The land produced vegetation: plants bearing seed according to their kinds.

God's creation of the sun, moon, and stars

Day 4 of creation: And God said, "Let there be lights in the vault of the sky to separate the day from the night, and let them give light on the earth." So God made two great lights—the greater light to rule the day and the lesser light to rule the night, and he placed them in the vault of the sky to give light on the earth.

God's creation of birds and fish

Day 5 of creation: He then said, "Let the water live with living creatures, and let birds fly across the sky." So God created the great creatures of the sea—the water cows with many wings and fins. God blessed them and said, "Be fruitful and fill the water in the seas, and let the birds increase on earth."

God's creation of humans and animals

Day 6 of creation: "Let us make mankind in my image, in my likeness, so that they may rule the sea fish and the winged birds, over livestock and all wild animals, and over all the creatures along the ground."
