In the van Michael learns that he has been born in a war of the heavens and Derrock and that he is the reason for the purple hue He also learns that one half of his soul is pure the other evil Will the pure light of his soul bring the end to all souls or will evil damn the earth and heavens to damnation Michael has the beast stirring inside and it wants out Can Michael control the beast and his mind *Report of the Thirteenth Annual Re-union, at Detroit, Michigan, June 14 & 15, 1882* Society of the Army of the Potomac,1882 *The City of Detroit, Michigan, 1701-1922* Clarence Monroe Burton,1922 **Legendary Locals of Detroit, Michigan** Paul Vachon,2013 Detroit sports a very uneven background The city dates from 1701 when Antoine de la Mothe Cadillac planted the flag of New France some 75 years before America became a nation Almost two thirds of Detroit s history was spent as little more than a frontier military outpost home to French farmers and fur traders who shared the quarters with the soldiers But as the 20th century arrived the impact of the automobile roused the city from its slumber Within a century s time the industry set in motion by Henry Ford produced a skyrocketing population a diverse mosaic of ethnic groups and levels of culture and affluence rivaled by few other places The literature of Joyce Carol Oates the architecture of Albert Kahn and the music fostered by Berry Gordy enriched life and created the Paris of the Midwest But growing pains were inevitable growing racial instability culminated in the insurrection of 1967 inflicting deep wounds yet creating new opportunities for harmony and justice that were capitalized on by Rev William Cunningham Today efforts continue to remove the tarnish from this corner of the Rust Belt **Catalog of Copyright Entries** Library of Congress.
