

The Creation of Patriarchy

Gerda Lerner

“By making the term 'man' subsume 'woman' and arrogate to itself the representation of all humanity, men have built a conceptual error of vast proportion into all of their thought... Everything that explains the world has in fact explained a world that does not exist, a world in which men are at the center of the human enterprise and women are at the margin 'helping' them. Such a world does not exist - never has.”
