**Reading Desperate Housewives** Edited By Janet McCabe And Kim Akass, 2006 **Voice-over narration in Desperate Housewives** Hülya Akkaş, 2010-03-23 Essay from the year 2009 in the subject Communications Movies and Television grade 17 University of Siegen course Serial TV language English abstract *Desperate Housewives* is an American comedy drama serial created by Marc Cherry After its premiere on October the 3rd 2004 on abc the serial had altogether 111 episodes in six seasons *Desperate Housewives* won several awards since its broadcast like the Emmy the Golden Globe and the Screen Actors Guild Award In April 2007 the serial was awarded as most popular show with an audience of over 119 million viewers The fictional setting of Wisteria Lane in Fairview is the home of a group of women protagonists Gabrielle Solis Eva Longoria Lynette Scavo Felicity Huffman Susan Mayer Teri Hatcher Bree Van de Kamp Marcia Cross Edie Britt Nicolette Sheridan and Katherine Mayfair Dana Delany are the main female characters that are more or less friends All of them have their own specialties and problems in their lives The plot of each episode follows these struggles they have to deal with in their family lives in domestic surroundings But with every episode it becomes clearer that even in beautiful and seemingly perfect suburban neighborhoods lots of secrets crimes and mysteries are buried The answers to these mysteries are mostly given by another friend of them Mary Alice Young Brenda Strong who died in the pilot episode of *Desperate Housewives* because she committed suicide Mary Alice Young nevertheless appears in the series but as the narrator of each

episode Her voice leads the viewer through the happenings and through the plot of Desperate Housewives and structures the series with her pro and epilogues The following composition is going to deal with the narration of Mary Alice Young and is based on the presentation to the according topic of Desperate Housewives in the seminar Serial TV This term paper will first concentrate on the tradition of voice over narration and afterwards on general facts of the voice over narration in Desperate Housewives In a final step the narration of Mary Alice Young will be discussed

**Film Review** ,2006 **The New York Times Index** ,1921 *Desperate Housewives Cookbook* Patricia Baker,2020-04-20 American TV witnessed an epic increase in viewership when it launched the Desperate Housewives series way back in October 2004 The story of a neighborhood set on Wisteria Lane became a story about you and me This mystery comedy drama ran for 8 years Marc Cherry created these fictional stories about friends living in Fairview town The eight seasons covering thirteen years of a women s life which had flashbacks flash forwards events and even a five year time leap and finally drew its curtain in August 2011 We all could all relate to the hopeless romantic Susan Bree the perfectionist homemaker Mary Alice the unseen voice the ever glamorous fashionable Gaby strong mom Lynette and even Karen the ultimate savior It was as if our domestic hurdles family issues egos heartbreaks and mysteries which are usually hidden behind doors were kept open Each season brought in many new characters who got wonderfully entangled in the series and kept us all hooked up They were telling very familiar stories which made all of us feel a part of the neighborhood We still love to view the series again and again The story of four friends makes us believe in the bond of friendship Munching these delightful recipes while viewing these series will be more fun You don t really have to gather a load of ingredients or run to any exotic shop to procure some fancy stuff to cook these Neither of these recipes needs hours and hours of cooking They are mostly simple and following the simple steps you can create the same magic created on Wisteria Lane Gossip is actually incomplete or rather never fully complete So have your girl gang over make these cocktails starters entrees and soups All the recipes have been selected keeping the entire feel of Wisteria Lane in mind Create the magic with these recipes and enjoy the series their stories and their lives
