Burke, 2010-01-01 This book is based on a really important timely and relevant idea to bring together sources on the self management of leadership development The book is important because almost all leadership development relies to a great degree on the leader s capability to manage his or her personal development It is timely because there is currently no single volume that covers the topic and it is relevant because leadership is such an extremely important issue for the success of our organizations countries and society in general The editors have done a thoroughly professional job in identifying top quality authors and combining their contributions into a very worthwhile volume Ivan Robertson University of Leeds UK Self Management and Leadership Development offers a unique perspective on how leaders and aspiring leaders can and should take personal responsibility for their own development This distinguished book is differentiated from other books on this topic with its view on the instrumental role played by individuals in managing their own development rather than depending on others such as their organization to guide them Expert scholars in the area of leadership emphasize the importance of self awareness as the critical starting point in the process Explicit recommendations are provided on how individuals can manage their own self assessment as a starting point to their development The contributors present insights and practical recommendations on how individuals can actively self manage through a number of typical leadership challenges Business school faculty teaching electives in leadership and managers who engage in leadership development for themselves or others should not be without this important resource Consulting firms and training institutions offering leadership development programs and participants in MBA and executive development programs will also find it invaluable Training in Interpersonal Skills Stephen P. Robbins, Phillip L.

Hunsaker,2003 Artist and screen writer Brian Godawa used to revel in his ability to argue the truth of the gospel often crushing his opponents in the process In time however he began to realize that winning an argument about the logic of Christianity did not equal persuading people to follow Jesus What was missing Through prayer and searching the Scriptures Godawa realized that while God cares deeply for rationality propositional truths were not the only or even the primary tools he used to reach people with his Truth In fact Godawa discovered that story metaphor and imagery were central to God s communication style because they could go places reason could never go into the heart In his refreshing and challenging book Godawa helps you break free from the spiritual suffocation of heady faith Without negating the importance of reason and doctrine Godawa challenges you to move from understanding the Bible literally to literarily by exploring the poetry parables and metaphors found in God s Word Weaving historical insight pop culture and personal narrative throughout Godawa reveals the importance God places on imagination and creativity in the Scriptures and provides a biblical foundation for Christians to pursue image beauty wonder and mystery in their faith For any Christian who wants to learn how to communicate and defend the Gospel in a postmodern context this book will help you find a path between the two extremes of intellectualized faith and anti intellectual faith by recovering a biblical balance between intellect and imagination
