Developing Responsible Relationships:

Cases on Cultural Implications and Considerations in Online Learning Edmundson, Andrea, 2012-07-31 Expectations of life work education and so forth are rooted in cultural values As a result access to an engagement with online learning is a culture bound experience *Cases on Cultural Implications and Considerations in Online Learning* illustrates ways in which to reach and engage learners across cultures by using online learning that accommodates cultural differences and preferences This casebook helps online educators understand what cultural expectations their students have before they create online programs and tailor their instructional designs for multicultural and international learners

Education and Responsibility Tunis Romein, 2021-03-17 This book reveals the sources of the disquiet prevailing among educators over the apparent failure of the public school system to develop moral responsibility in America s youth The doctrine of separation of church and state has made sectarian religious training illegal in public schools and Tunis Romein shows that the task of providing moral guidance suddenly thrust upon educators has disclosed their deep schisms in educational philosophy basic contradictions which have split American education from top to bottom Romein explains the basic conflicts in education by examining three educational philosophies progressivism educational reconstructionism and classical humanism and comparing all of them with the traditional Christian view He holds that all educational philosophies whether secular or not are based on faith and that all can be tested with regard to their beliefs about the nature of man and about the kind of moral responsibility education should develop in man With sincerity and frankness Romein analyzes the moral and intellectual poverty of much of the thinking dominant in education today and he shows the necessity as well as the difficulty of making faith in God once more the underlying influence in American education
