## **Awakened Eye:**

**The Awakened Eye** Frederick Franck,1979      **The Awakened Eye** Ross Parmenter,1968      **Awakening and Beyond** Colin Drake,2011-11-20 This book is a series of articles written since the publication of the Author s second book A Light Unto Your Self It is the third in the trilogy which started with Beyond the Separate Self Each book deals with Awakening from the dream of being a separate object on the earth and each is written so as to stand alone not requiring the reader to have read the other works I really enjoyed the book Anyone reading it should have no problem getting what awakening awareness and the function of the body mind are all about And you provide lots of supportive text from traditional sources to back up your teachings Jerry Katz Thanks Colin for another fine dissertation you are speaking the unspeakable clearer and clearer Paul Bedson Fantastically well put So simple any one could get it Piers Mooreede As usual this is an exceptionally lucid and practical discussion of the ephemeral I and the changeless Reality which underlies all Well done Don Wolfe

**Philosopher's Stone VOLUME IV: ILLUMINATION AND THE LIGHT WITHIN** Laing Z. Matthews,2025-09-20 Illumination is not spectacle It is not the glow of charisma or the rush of ecstatic visions In the alchemical tradition illumination is the quiet unveiling of the inner gold the radiance that was always present waiting for the vessel to be cleansed and the heart made ready In this fourth volume of The Philosopher s Stone series Laing Z Matthews continues his profound exploration of inner alchemy guiding readers into the mysteries of illumination coherence and embodied light Where earlier volumes explored the fire that burns away illusion here we step into the calm brilliance that follows the gentle but unshakable presence of the awakened self This book is not for those seeking quick enlightenment or theatrical powers It is written for practitioners seekers and adepts who have walked through dissolution and calcination and now find themselves on the threshold of a quieter deeper transformation Illumination is not about becoming more it is about becoming transparent so that the light of spirit shines unobstructed Inside these pages you will discover The Alchemy of Inner Gold why illumination is less about gaining and more about uncovering the eternal gold hidden in the depths of being The Opening of the Inner Eye how perception shifts when light becomes intelligence revealing patterns correspondences and a clarity beyond thought The Sacred Fire Refined how the fierce flames of earlier stages soften into a clear radiance that does not consume but sustains Divine Union the meeting point of body breath and spirit where human limitation dissolves into divine luminosity When Light Walks illumination as lived presence not in visions or peak experiences but in the quiet way the illumined one moves through the world Matthews draws on the great streams of alchemy and mysticism Hermetic Christian Daoist Kabbalistic while keeping the voice clear direct and modern Rather than collapsing these traditions into a blur he allows each to speak showing how they converge in the human experience of light Quotations from Zosimos Plotinus the Gospel of Thomas and Daoist and Tibetan masters appear not as academic footnotes but as sparks of a fire still burning Throughout the emphasis remains practical and embodied Illumination is not an escape from flesh but its transfiguration The

radiant body described here is not metaphor it is the coherence of breath spirit and matter when aligned with the source Readers are warned against premature displays of light or inflation of ego reminded that the gold is not for performance but for service This is not a beginner s manual It assumes prior exposure to meditation inner work or earlier volumes of this series Illumination cannot be manufactured or forced it is received when the vessel is ready Matthews provides careful signs safeguards and reflections so the reader can recognize authentic light from illusion and move with integrity For those who have felt glimpses of radiance during silence in breath in dream or in rare moments of clarity this book offers language and structure for what until now may have seemed unspeakable It affirms that illumination is not reserved for the rare few it is the natural flowering of a disciplined surrendered life The Philosopher s Stone Volume IV Illumination and the Light Within is both a manual and a mirror It does not hand down formulas it reflects the truth already stirring within In these pages you will not be told what to believe but invited to become transparent enough to see and feel directly Poetry From Awakening and Beyond Colin Drake,2012-12-06 A selection of poems based on the Author s book Awakening and Beyond **The Galaxy** William Conant Church,1874 **The Watches of the Sacred Passion** Peter Gallwey,1896 **A Library of Religious Poetry** Philip Schaff,Arthur Gilman,1885 **English Poetry of the Nineteenth Century** Oscar James Campbell,James Francis Augustin Pyre,1929 **A Library of Poetry for Sunday Reading** Philip Schaff,Arthur Gilman,1889 Works Nathaniel Hawthorne,1876 **Good Literature** ,1882 *English Lyrics, Chaucer to Poe, 1340-[1849]...* William Ernest Henley,1905 Unconquered Maud Diver,1917 Poems of sentiment and reflection ,1912 **Studies in Theology** Joseph Estlin Carpenter,Philip Henry Wicksteed,1903 *Readings on the Purgatorio of Dante* William Warren Vernon,1897 *Poems by Peter J.
