

**1. How do you think your Religion has influenced you in the kind of self that you have?**

- Religion plays a vital role in my life. This reflects on who I am spiritually and who I believe in. As a part of Roman Catholic, I believe and worship God. I obey his commandments and the bible. This helps me to be a better version of myself as I live Jesus in my life.

On the other hand, I think the characteristic that I learned from the Creator is being emphatic and to forgive no matter what sin has been done to me. Personally, I have always wanted to spread kindness and positivity to everyone. Though sometimes arguments and misunderstanding occur, forgiving is one of the significant things in life as I believe in the saying "Kung ang Diyos ay nagpapatawad, tayo pa kaya?"

**2. Discuss the significant religious rituals (based on the Module's discussion) that you have personally experienced in your life. How do you think it has affected your spirituality?**

- Based on the module, I have personally experienced the calendric religious rituals. As mentioned in the discussion, November 1 is known as All Souls Day in the Philippines. We go to the cemetery to visit our loved ones who passed away. It has affected my spirituality because ever since, what I do is I offer candles and prayers for them. It has been part of me, and I do this every year.

**3. What is the essence of Filipino Spirituality? How do you think it is connected to your Religion?**

- The essence of Filipino Spirituality includes religious traditions, practices, and beliefs. Filipinos may believe different Gods, but we cannot deny that they are solely devoted to their believed creators. In my observation, despite we are experiencing a pandemic, we, Filipinos still dedicate our life and time to the church and to our God. In fact, it makes our faith even stronger and believe that we can surpass this moment.

It is connected to my religion as these practices of my community I have already adapted. It also helps me to understand the true meaning of faith and respect. Respect in a way of respecting various religions and beliefs that others believe.
