Early Methodists Under Persecution Josiah Henry Barr,1916      Early Methodists Under Persecution Josiah Henry Barr,2012-01 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy      Early Methodists Under Persecution (Classic Reprint) Josiah Henry Barr,2017-10-14 Excerpt from Early Methodists Under Persecution This work was undertaken for the purpose of ascertaining SO far as possible the actual extent of the suffering of the early Methodists and of their struggle against persecution It deals only with events in the British Isles and covers the life of the Rev John Wesley There was persecution after his death but by that time the crisis had passed and Methodism had become SO thoroughly established that there was no longer any possibility of crushing it Therefore what followed though extremely trying was more incidental At the beginning of the task the hope was entertained of making this a source book of facts but the abundance of material soon made this plan impracticable Were all the material to be used which is at hand it would make a volume of twice this Size Therefore this does not purport to be a complete account For the sake of brevity some material has been omitted entirely and wherever possible nearly all has been abridged In some instances narratives have been broken for this purpose However it is believed that enough is given both to Show the extent of the sufferings of the Methodists and to portray the spirit of their persecutors In the search for material nothing has been found anywhere that would suggest an outline for the work or that would direct the student to the sources It seems to be almost entirely an unexplored field It has been necessary therefore to handle volume after volume wherever material seemed likely to be found Between two and three thousand volumes have thus been re viewed Also such English periodicals as refer to the subject and could be found have been consulted Of the three collections Of pamphlets relating to the early Methodists and found in this country all have been carefully examined About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works      **Early Methodists Under Persecution** Josiah Henry Barr,1944      *Early Methodist Under Persecution* Josiah H.
