Activities for Any Literature Unit Patsy Carey, 1996 Eight sections that can be adapted to any reading series

Adventures in Graphica Terry Thompson, 2008 Comic books and graphic novels known collectively as graphica have long been popular with teenagers and adults Recently graphica has grown in popularity with

younger readers as well motivating and engaging some of our most reluctant readers who often shun traditional texts While some teachers have become curious about graphica s potential many are confused by the overwhelming number of new titles and series in both fiction and nonfiction and are unsure of its suitability and function in their classrooms Drawing on his own success using graphica with elementary students literacy coach Terry Thompson introduces reading teachers to this popular medium and suggests sources of appropriate graphica for the classroom and for particular students Taking cues from research that supports the use of graphica with students Terry shows how this exciting medium fits into the literacy framework and correlates with best practices in comprehension vocabulary and fluency instruction Adventures in Graphica contains numerous easy to replicate instructional strategies including examples of how graphic texts can be used to create a bridge as students transfer abstract comprehension strategies learned through comics and graphic novels to traditional texts Adventures in Graphica provides a roadmap for teachers to the medium that the New York Times recently hailed as possibly the next new literary form
