Deindustrialisation and the Moral Economy in Scotland since 1955 Jim Tomlinson, Valerie Wright, Jim Phillips, 2021-09-09 Deindustrialisation is the central feature of Scotland s economic social and political history since the 1950s when employment levels peaked in the established sectors of coal shipbuilding metals and textiles along with the railways and docks This book moves analysis beyond outmoded tropes of economic decline and industrial catastrophe and instead examines the political economy of deindustrialisation with a sharp eye on cultural and social dimensions that were not uniformly negative as often assumed Viewing the long term process of deindustrialisation through a moral economy framework the book carefully reconstructs the impact of economic change on social class gender relations and political allegiances including a reawakened sense of Scottish national identity In doing so it reveals deindustrialisation as a more complex process than the customary body count of closures and job losses suggests and demonstrates that socioeconomic change did not just happen but was influenced by political agency **Critical Social Research** Lee Harvey, 2025-07-11 Originally published in 1990 Critical Social Research is a unique methodology textbook that provides students lecturers and indeed all those involved in social research with an invaluable illustrative guide The author argues that critical social research offers a perspective and a methodology that transcends divisions between quantitative and qualitative approaches At the heart of critical social research is the idea that knowledge is structured by existing sets of social relations its aim is to provide knowledge that engages with and challenges prevailing oppressive social structures This book is divided into three sections each addressing a different form of oppression those based on class gender and race Case studies from research published for the most part in North America and Britain are used extensively to demonstrate how empirical critical social research has been done The case studies consisting of evaluative summaries of important published research will in themselves form a useful resource for students They reveal a variety of techniques including historical analysis critical ethnography and semiological and structuralist approaches Critical social research is extremely varied and may often appear complex this text provides a cogent explanation of its methodological operation that links epistemological underpinnings to

practical techniques **The Moulton Bicycle** Bruce D. Epperson,2018-05-31 In 1963 British inventor Alex Moulton 1920 2012 introduced an innovative compact bicycle Architectural Review editor Reyner Banham 1922 1988 predicted it would give rise to a new class of cyclists young urbanites riding by choice not necessity Forced to sell his firm in 1967 Moulton returned in the 1980s with an even more radical model the AM his acclaim among technology and design historians owed much to Banham s writings The AM s price tag some models cost many thousands of dollars has inspired tech savvy cyclists to create hot rod compact bikes from Moulton inspired shopper cycles of the 1970s a trend also foreseen by Banham who considered hot rod culture the folk art of the mechanical era The author traces the intertwined lives of two unusually creative men who had an extraordinary impact on each others careers despite having met only a few times **The art of the possible** Chris Williams,Andrew Edwards,2015-07-01 This volume explores some of the major transitions opportunities and false dawns of modern British political history It engages with the scholarly legacy of Professor Duncan Tanner 1958 2010 whose work was focused on the political process and on politics in government Chronologically its span runs from the first general election to be conducted under the terms of the Third Reform Act through to the 1997 referenda in favour of devolved assemblies in Scotland and Wales This was the period in which British politicians most obviously addressed a mass British wide electorate seeking national approval for policies and programmes to be enacted on a UK wide basis Aimed at scholars and students of modern British history this volume will also interest the general reader who wishes to get to grips with some of the latest thinking about British politics *Journal of General Management* ,1973 **Australian Journal of Political Science** ,1979 **The Social Analysis of Class Structure** Frank Parkin,2013-11-05 Tavistock Press was established as a co operative venture between the Tavistock Institute and Routledge Kegan Paul RKP in the 1950s to produce a series of major contributions across the social sciences This volume is part of a 2001 reissue of a selection of those important works which have since gone out of print or are difficult to locate Published by Routledge 112 volumes in total are being brought together under the name The International Behavioural and Social Sciences Library Classics from the Tavistock Press Reproduced here in facsimile this volume was originally published in 1974 and is available individually The collection is also available in a number of themed mini sets of between 5 and 13 volumes or as a complete collection New Priorities ,1971 *Reading Lists in Radical Social Science* Mark H.
