[Research Methods and Statistics: A Critical Thinking Approach](#) Sherri Jackson, 2008-03-17 *RESEARCH METHODS AND STATISTICS A CRITICAL THINKING APPROACH 3e* successfully illustrates the integration between statistics and research methods by demonstrating the ways to use statistics in analyzing data collected during research. Jackson's combined text adopts an inviting narrative style that draws you into the material helping you overcome the initial apprehension you may feel at having to learn both subject areas at once. She incorporates a student friendly critical thinking approach and presents examples and exercises to which you can relate. Jackson focuses on the logic of the process and the methodology aspect of research. Rana, Emma L. Slade, Ganesh P. Sahu, Hatice Kizgin, Nitish Singh, Bidit Dey, Anabel Gutierrez, Yogesh K. Dwivedi, 2019-11-11 This book examines issues and implications of digital and social media marketing for emerging markets. These markets necessitate substantial adaptations of developed theories and approaches employed in the Western world. The book investigates problems specific to emerging markets while identifying new theoretical constructs and practical applications of digital marketing. It addresses topics such as electronic word of mouth (eWOM), demographic differences in digital marketing, mobile marketing, search engine advertising, among others. A radical increase in both temporal and geographical reach is empowering consumers to exert influence on brands, products, and services. Information and Communication Technologies (ICTs) and digital media are having a significant impact on the way people communicate and fulfil their socio-economic, emotional, and material needs. These technologies are also being harnessed by businesses for various purposes including distribution and selling of goods, retailing of consumer

services customer relationship management and influencing consumer behaviour by employing digital marketing practices This book considers this as it examines the practice and research related to digital and social media marketing
