Subverting the System Jonathan Harris, 2005-11 This book analyzes the efforts by Mikhail Gorbachev the General Secretary of the Central Committee of the Communist Party of the Soviet Union CPSU to transform the relationship between the bureaucratic core of full time party officials the inner party and the Communists who manned the Soviet state the outer party Jonathan Harris argues that the efforts of party officials headed by the secretariat of the CPSU Central Committee to direct members of the outer party were the essence of so called party leadership of the entire political system and that Gorbachev s reforms destroyed the basis of this leadership Finally Subverting the System shows how orthodox party officials not only directly challenged Gorbachev s definitions but worked vigorously to restore their own authority during the last years of Gorbachev s reign opposition contributed significantly to the attempted coup against him in 1991

The Soviet Social Contract and why it Failed Linda J. Cook, 1993 This book is the first critical assessment of the likelihood and implications of such a contract Linda Cook pursues the idea from Brezhnev s day to our own and considers the constraining effect it may have had on Gorbachev s attempts to liberalize the Soviet economy

To Agree or Not to Agree Lisa Baglione, 2010-08-04 Why were the leaders of the United States and the Soviet Union able to negotiate a series of arms control agreements despite the deep and important differences in their interests during the Cold War Lisa A Baglione considers a variety of explanations for the successes and failures of these negotiations drawn from international relations theories Focusing on the goals and strategies of individual leaders and their ability to make these the goals and strategies of their nation the author develops a nuanced understanding that better explains the outcome of these negotiations Baglione then tests her explanation in a consideration of negotiations surrounding the banning of above ground nuclear tests the Strategic Arms Limitation Talks of the 1970s the negotiations for the limitation of intermediate range nuclear forces in the 1980s and the last negotiations between the Americans and the disintegrating Soviet Union in 1990 and 1991 How these great rivals were able to negotiate significant arms control agreements not only will shed light on international relations during an important period of history but will help us
