Parish,2013-06-17 There are so many books on so many aspects of the history of the United States offering such a wide variety of interpretations that students teachers scholars and librarians often need help and advice on how to find what they want The Reader s Guide to American History is designed to meet that need by adopting a new and constructive approach to the appreciation of this rich historiography Each of the 600 entries on topics in political social and economic history describes and evaluates some 6 to 12 books on the topic providing guidance to the reader on everything from broad surveys and interpretive works to specialized monographs The entries are devoted to events and individuals as well as broader themes and are written by a team of well over 200 contributors all scholars of American history

*The Centennial of the United States Military Academy at West Point, New York. 1802-1902 ...* United States Military Academy,1904 [The Official Railway Guide](#) ,1909 **Custerology** Michael A. Elliott,2008-08-26 On a hot summer day in 1876 George Armstrong Custer led the Seventh Cavalry to the most famous defeat in U S military history Outnumbered and exhausted the Seventh Cavalry lost more than half of its 400 men and every soldier under Custer s direct command was killed It s easy to understand why this tremendous defeat shocked the American public at the time But with *Custerology* Michael A Elliott tackles the far more complicated question of why the battle still haunts the American imagination today Weaving vivid historical accounts of Custer at Little Bighorn with contemporary commemorations that range from battle reenactments to the unfinished Crazy Horse memorial Elliott reveals a Custer and a West whose legacies are still vigorously contested He takes readers to each of the important places of Custer s life from his Civil War home in Michigan to the site of his famous demise and introduces us to Native American activists Park Service rangers and devoted history buffs along the way Elliott shows how Custer and the Indian Wars continue to be both a powerful symbol of America s bloody past and a crucial key to understanding the nation s multicultural present Elliott is an approachable guide as he takes readers to

battlefields where Custer fought American Indians to the Michigan town of Monroe that Custer called home after he moved there at age 10 to the Black Hills of South Dakota where Custer led an expedition that gave birth to a gold rush Steve Weinberg Atlanta Journal Constitution By Custerology Elliott means the historical interpretation and commemoration of Custer and the Indian Wars in which he fought not only by those who honor Custer but by those who celebrate the Native American resistance that defeated him The purpose of this book is to show how Custer and the Little Bighorn can be and have been commemorated for such contradictory purposes Library Journal Michael Elliott s Custerology is vivid trenchant engrossing and important The American soldier George Armstrong Custer has been the subject of very nearly incessant debate for almost a century and a half and the debate is multicultural multinational and multimedia Mr Elliott s book provides by far the best overview and no one interested in the long haired soldier whom the Indians called Son of the Morning Star can afford to miss it Larry McMurtry **A Biographical History, with Portraits, of Prominent Men of the Great West.** . John A. Campbell,1902 *The Official Guide of the Railways and Steam Navigation Lines of the United States, Porto Rico, Canada, Mexico and Cuba* ,1897 United States Official Postal Guide ,1908 **The centennial of the United States military academy at West Point, New York, 1802-1902** West Point U.S. military acad,1904 **Motion Picture Herald** ,1926 **The American Kennel Gazette** ,1903 **Cue** ,1968 **The American Hereford Record and Hereford Herd Book** American Hereford Cattle Breeders' Association,1920 Brief history of Hereford cattle v 1 p 359 375 **Annual Report** Oklahoma Corporation Commission,1917 *The Encyclopedia Americana* Frederick Converse Beach,1903 **Doane Robinson's Encyclopedia of South Dakota** Doane Robinson,1925 **Custer's Trials** T.J. Stiles,2016-10-25 Winner of the 2016 Pulitzer Prize for History In this magisterial biography T J Stiles paints a portrait of Custer both deeply personal and sweeping in scope proving how much of Custer s legacy has been ignored He demolishes Custer s historical caricature revealing a capable yet insecure man intelligent yet bigoted passionate yet self destructive a romantic individualist at odds with the institution of the military court martialled twice in six years and the new corporate economy a wartime emancipator who rejected racial equality Stiles argues that although Custer was justly noted for his exploits on the western frontier he also played a central role as both a wide ranging participant and polarizing public figure in his extraordinary transformational time a time of civil war emancipation brutality toward Native Americans and finally the Industrial Revolution even as he became one of its casualties Intimate dramatic and provocative this biography captures the larger story of the changing nation It casts surprising new light on one of the best known figures of American history a subject of seemingly endless fascination *Outer's Recreation* ,1922 **The National Magazine** ,1923
