Cuarta Via Al Poder La:

Golpe y contragolpe Juan José Paz y Miño Cepeda, 2002 **Hugo Chávez** Nikolas Kozloff, 2015-12-01 Audacious provocative and bombastic few world politicians are as colorful as Hugo Chávez now making international news for his plans to nationalize U S owned businesses and his bold opposition to Washington's economic and trade policies As Venezuela gains importance as the fifth largest oil exporter in the world this firebrand leader is quickly moving to the public spotlight by uniting much of South America against the Bush administration and wielding oil as a geopolitical weapon To create this rich and objective portrait Nikolas Kozloff one of the few American journalists who has spent years in the Andean region has profiled Chávez's top advisors leaders of his movement and other key figures in both Venezuela and the U S The result is a timely exhaustive analysis of Chávez as a political leader and a nuanced examination of the president moving to the center of the global stage Includes a new afterword by the author with insights into Chávez's reelection in relation to wider hemispheric politics **The Promise and Perils of Populism** Carlos de la Torre, 2015-01-13 From the protesters in Cairo's Tahrir Square to the Tea Party in the United States to the campaign to elect indigenous leader Evo Morales in Bolivia modern populist movements command international attention and compel political and social change When citizens demand power to the people they evoke corrupt politicians imperialists or oligarchies that have appropriated power from its legitimate owners These stereotypical narratives belie the vague and often contradictory definitions of the concept of the people and the many motives of those who use populism as a political tool In *The Promise and Perils of Populism* Carlos de la Torre assembles a group of international scholars to explore the ambiguous meanings and profound implications of grassroots movements across the globe These trenchant essays explore how fragile political institutions allow populists to achieve power while strong institutions confine them to the margins of political systems Their comparative case studies illuminate how Latin American African and Thai populists have sought to empower marginalized groups of people while similar groups in Australia Europe and the United States often exclude people whom they consider to possess different cultural values While analyzing insurrections in Latin America advocacy groups in the United States Europe and Australia and populist parties in Asia and Africa the contributors also pose questions and agendas for further research This volume on contemporary populism from a comparative perspective could not be more timely and scholars from a variety of disciplines will find it an invaluable contribution to the literature **Millennial Ecuador** Norman E Whitten, 2003-12 In the past decade Ecuador has seen five indigenous uprisings the emergence of the powerful Pachakutik political movement and the strengthening of the Confederation of Indigenous Nationalities of Ecuador and the Association of Black Ecuadorians all of which have contributed substantially to a new constitution proclaiming the country to be multiethnic and multicultural Furthermore January 2003 saw the inauguration of a new populist president who immediately appointed two indigenous persons to his cabinet In this volume eleven critical essays plus a lengthy introduction and a timely epilogue explore the multicultural forces that have
