## **Devils Bride:**

**The Devil's Bride** Milton H. Stine,1910      Bohemian Legends and Ballads F. P. Kopta,1890      *Devil's Bride*

Stephanie Laurens,1998-03-01 When Devil the most infamous member of the Cynster family is caught in a compromising position with plucky governess Honoria Wetherby he astonishes the entire town by offering his hand in marriage No one dreamed this scandalous rake would ever take a bride And as society mamas swooned at the loss of England s most eligible bachelor Devil s infamous Cynster cousins began to place wagers on the wedding date But Honoria wasn t about to bend society s demands and marry a man just because they d been found together virtually unchaperoned No she craved adventure and while solving the murder of a young Cynster cousin fit the bill for a while she decided that once the crime was solved she d go off to see the world But the scalding heat of her unsated desire for Devil soon had Honoria craving a very different sort of excitement Could her passion for Devil cause her to embrace the enchanting peril of a lifelong adventure of the heart

**Eternally Yours** Christina Marie Palumbo,2014-10-10 Lucressa Marie Douglas Campbell had been locked away in a white marble wing of her mothers estate in Los Angeles California her whole life She felt as if she were a princess from a fairytale being guarded by an evil dragon or wicked witch Lucressa never had any friends though not from a lack of trying The interpersonal relationship skills that seem to be inherent in others she found had passed her by The lack of a social life had given Lucressa ample time to focus on her studies and she graduated from her all girl magnet high school at age nine By eleven she had gotten her doctorate in virology and has been since working in a lab her mother had purchased for her downtown For nearly seven years Lucressa has been working for a cure for H I V but had only succeeded in finding a suppressant which her mother was able to get on the market manufacturing it in a pharmaceutical plant she owned On the eve of her eighteenth birthday her mother tells her the secret she had been keeping from her daughter since she had been born Lucressa had been vowed to a King and at 3 54 A M she was going to be collected After watching her life go up in flames literally she is whisked off to Fairy Paradise the land of the Notorious Nothings Faced with a terrifying hoard of everything that goes bump in the night and the King of Fairy Lucien the husband she was vowed to when she was born Lucressa found she had only one ally Micah Forbidden passion reigns hot and freely and love solace and comfort are found in each others arms The fact of the matter is if it is found out that the Bride has allowed another to touch her that would be a death sentence for them both Lucressa becomes pregnant a fact she does not tell Micah Time is against the lovers and Lucressas son The Elixir of Life which sustains immortality for only 150 years will wear off in two months time Lucressa knows that her child will not be viable within that that time so her imminent mortality date will be her childs doom as well Lucressa beseeches that Micah whose abilities supersede what the other Notorious Nothings are aware of to return her to wholly mortal and smuggle her away from Fairy The Elixir of Life actually freezes the aging process of the Bride at whatever age she was at the time it was administered Lucressa had been eighteen when aging for her had stopped That gave her

plenty of years left to live and for her son to live As Micah opens a portal to the ionic river Lucressa promises Micah that she is eternally his She promises him that after the search for her ends they can be together on the mortal coil She makes promises she knows she cannot keep for she could not live in any realm without the knowledge that somewhere Micah lives too And if Micah disappears from Fairy not only would being away from the wild magic of the land drain him to the point of death but he and she would be found and brought back to Fairy to be executed But he did not need to know that Besides the love of the child she was carrying superseded all even the love she bore for Micah Finding herself in 669 A D in Ireland Lucressa counted her luck stars when she stumbled out of the woods and into a clearing with a village Thanks to Micah she had the appropriate coinage so she could pay for a room and meals for a long while She came across Stephen Lohne Laird of Avoigne and began a conversation as to why she was unattended in the woods She had studied the time period the cadence and speech and the language and had a cover story ready She had chosen this place and this time period knowing of Avoignes reputation of taking in wayward souls and accepting them She knew of Laird Stephan Lohne and his reputation for kindness and mercy And she played the role of lost soul flawlessly He took her into Avoignes gates and gave her food shelter and clothes She told him when he informed her winter was coming and the pass would be too treacherous to pass for many months that she was a healer and could offer her services to pay for his hospitality He accepted the offer stating that Avoignes healer had died with no children to teach the craft and no lasses with the skills to heal A week later Stephen proposes which was to Lucressas relief Having a child out of wedlock would make Lucressa a pariah even in Avoigne They married in a weeks time much to Lucressas relief But she was right now two and a half months pregnant so she began praying the she was way overdue Lucressa was a month and a half over due Unfortunately she birthed several still born babies and only her son Dougrey lived She almost died in child birth The Bride can only have children with a Notorious Nothing apparently if a Bride conceives with a mortal man death happens Lucressa is informed she is incapable to have any more children Micah confronts Lucressa about Dougrey being his He says he waited until the search for her died down and he came for her life she had told him to do He expresses his rage over finding that a mortal man had stepped in claiming her and his son for his own Lucressa tells him that if he ever loved her to leave and never return Dougrey at twenty six fell in love with Maudlin MacDonalad a lass from an estate a few miles away from Avoigne Her father Sir Ivan had turned every one of the suitors who had come calling for Maudlins hand in marriage and terms are agreed to But soon plots arise that could see them all cold in the grave and Lucressa returned to the hell she had escaped so many years before

and sexual degradation Seabury Quinn's tales of Jules de Grandin were amongst the most popular to appear in *Weird Tales* magazine with over 90 episodes appearing between 1926 and 1938 The stories were notable not only for their supernatural overtones but also for strong elements of sadistic violence misogynistic torture and cruelty negative racial profiling and frequent scenes of female nudity In fact Quinn was sure to include at least one scene of a naked girl under duress in every piece so that resident cover artist Margaret Brundage was provided with suitably lurid visual material As relics from a less enlightened age Quinn's stories can only now be read at face value and by doing so the reader will enter a weird sexually perverse world of murder mayhem and machine gun diplomacy *Everybody's*, 1925 Demonology and Devil-lore Moncure Daniel Conway, 1879 **Teutonic Mythology** Jacob Grimm, 1888 *Alienist and Neurologist* Charles Hamilton Hughes, 1916 Journal of the Royal Institution of Cornwall Royal Institution of Cornwall, 1922 Includes the Reports of the Institution which prior to the establishment of the Journal were issued separately
