Devil's Pawn Natasha Knight,2022 **The Devil's Pawn** Yvonne Whittal,1984 *Devil's Pawn* Harrison Nahashon (author),1901 *Devils Like Us* Lincoln James,2024-10-07 The city has a heartbeat and they just stepped into its veins It started with a hijacking When two runaway teens stole Jason Murich s car they dragged him into a high speed chase through the streets of L A But when the roads ran out the only place left to hide was underground Beneath the city lay a world of crumbling tunnels buried secrets and something far more dangerous than police sirens And as the three descended deeper Jason began to realize they weren t just running from something they were running toward it And the further down they went the harder it became to crawl back up **The Journey At The Crossroads** James Lagoski,2005-01-28 Most the poetry written into the pages of this book were created between 1999 and 2002 Although the first 2 books were already written something kept telling me it was more important to just keep writing rather than publishing My writing style was being compared to some of the most recognized poets and prophets in history So this began a new interpretation of The Journey for me I felt that the poems had to be crafted with feeling and emotion so the words were not just read but completely absorbed This book contains some of the first poems I affectionately call my mental masterpieces Short stories with a natural flow and rhyme scheme each structured towards delivering some sort of message to the reader A calculated perfection of mirrored thought meant to have the readers reflect upon themselves Anyone who reads this book will find something that they relate to I m sure that some of these will really hit home After all They were written for you You re the reason why I do what I do
