Buckle up for three pulse pounding adventures that toss Hollywood actor Tristan Havering into a reality where the blockbuster superhero epic he starred in is alarmingly real Confront villainous powers unstoppable super forces and shocking twists as Tristan s dual identities blur Is he still the actor or the ultimate threat Dive in and discover a world where fiction and fate collide Me Myself and I Tristan Havering is convinced he s just an actor until a freak accident plunges him into the world he helped bring to life Suddenly every wild plot twist and larger than life power from the Power Up superhero saga isn t just fiction It s terrifyingly real Stranded in this alternate dimension Tristan must grapple with the possibility that he s no longer himself but could actually be Devon the ruthless villain he once portrayed on screen Dreams and Reality Returning to his own reality should bring peace yet four months later chilling supernatural forces tear through Tristan s everyday life The only one who can help is Devon the dangerously unpredictable supervillain now proven very real Bound by treacherous secrets and uneasy attraction Tristan and Devon unite to battle threats beyond imagination even as old grudges and unstable powers threaten to rip them apart Oh Really When Tristan finally settles back into the glitz and glamor of Hollywood his growing abilities refuse to be ignored An impending production of Power Up IV reveals surprising revelations forcing him to consider his own truths and what they mean for his more and more complicated life      [A Thousand Facts in the Histories of Devon&Cornwall, in Chronological Order, Forming an Epitomised View of the Political Development of Those Counties, and Making Especial Reference to the History of Plymouth; to which is Added an Alphabetical List of All Works Relating to the Counties](#) John Cremer BELLAMY,1850      **The Excursion and Wordsworth's Iconography** Brandon C. Yen,2018-09-20 This book considers William Wordsworth s use of iconography in his long poem The Excursion Through the iconographical approach the author steers a middle course between The Excursion s two very different interpretive traditions one focusing upon the poem s philosophical abstraction the other upon its touristic realism Fresh readings are also offered of Wordsworth s other major works including The Prelude Yen explores Wordsworth s iconography in The Excursion by tracing allusions and correspondences in an abundance of post 1789 and earlier verbal and pictorial sources as well as in Wordsworth s prose and poetry He analyses how the iconographical images in The Excursion contribute to and impose limitations on the overarching preoccupations of Wordsworth s writings particularly the themes of paradise lost and paradise regained in the post revolutionary context Shedding light on a vital aspect of Wordsworth s poetic method this study reveals the visual etymologies together with the nuances and rhetorical capacities of five categories of apparently collateral images envisioning rooting dwelling flowing and reflecting      *Valley of Mystery* S.F. [Art and Drama on a Late Medieval Rood Screen](#) Michael Calder,2024-12-02 With little scholarly attention having been given to the late medieval iconography that features on rood screens in the southwest of England the significance of the figures painted at Berry Pomeroy has long been underappreciated The unlocking of their meaning by the author has led to the discovery of a unique iconographic program The gestures adopted by many of these figures belong to a common visual culture in the art and drama of the medieval church The iconography which reflects a Gothic Mannerist style of the early sixteenth century displays a marked theatricality giving expression to the mysteries of the faith in the form of a drama The narrative recorded has notable similarities to that found in a dramatic trilogy which was once performed in Cornwall called the Ordinalia This book makes an important contribution to scholarship in the genre of mysticism in art and to our understanding of popular devotional practices on the eve of the Reformation
